Just to make it official...At the June meeting, the appointed officers (Gail and Bill) were voted in by a two thirds majority of those members present. Also, Betsy Williams was voted in as a member at large so that she could represent our club at Association of Carolina Shag Clubs Summer Workshop in Charlotte, NC. The workshop was held the last weekend in June and as long as we had someone from our club there to represent us, we would earn \$300.00.

A Gentle Reminder

Be sure to mingle when you're out at Master's or at a club function. There's a lot of new members (and some that are not so new) who don't know many people. How about going up to someone you don't know and introducing yourself? Put yourself in their place for a moment. The more friends we make, the more new members we can welcome into the club.
