**T**hank you so much for the opportunity to serve our Shag Club as President. I consider this an honor and a privilege to serve its' members. As we venture into the New Year, we will greet it with high expectations and goals. But for a moment, I look back at last year (2002) and thank the ones who led us to a great year Rick Turner, Ron Wilkerson, Vickie Lewis, and Pam Mahone. Thanks to each of you for your hard work. You have done a wonderful job of representing our club.

To our new officers, Brenda Smith, Peg Hanson, and Mary Gregory, thanks to each of you for wanting to give your time and effort to make our club a special place. I challenge you to make a difference with new ideas and getting as many members involved so they can be as excited about our club as we are.

I challenge each member to get involved and participate in all activities of our club. Come to the business meetings, let your voice be heard and hear others as they speak. Agree or disagree with issues, but no matter what the final outcome is, let's all come together as one and support what the "club" decides. Attend functions of other clubs if possible. We should support our neighboring shag clubs and they will in turn support us. In addition, encourage others to join our club and welcome all as they come into the lounge.

As we pause for a moment to look back at the Holidays, I am reminded how thankful and blessed we are to be able to come out and have fun and fellowship with our friends. We all have a lot to be thankful for, even if small. I am thankful you have put your trust in me to lead you into the New Year. I hope you all had a joyous Holiday Season.

Man how time flies when your naving run...This time last year, Ma' was signing me up for a BSC membership (as a Christmas present) and telling me how exciting it was going to be with the shag club. She wasn't kidding! I never imagined that I'd meet so many friendly and talented people or feel so at home in such a short period of time. My new obsession quickly became beach music and learning how to shag. In celebration of my 1<sup>st</sup> anniversary and being asked to be a part of the next DJ Committee, she agreed to sign up to be a BSC member too.

As DJ Committee Chairman for 2003, I look forward to a year of great music and lots of dancing. Many thanks, to Buddy and fellow members, for all your support during the transition. I've enjoyed listening to the music and learning to shag to the tunes our DJ's have played this past year. I welcome suggestions and look forward to seeing each of you at the Re-Up Party Jan 10<sup>th</sup>. You can reach me at 227-1352 or by email at [oink@netpath.net](mailto:oink@netpath.net).

Sincerely,  
Kim Caldwell

## Thirsty's Two

By Dotty Whaley

I'll be daggone if the BSC hasn't been turning out in record numbers here lately. Fifty eight at our last meeting and I (and Evelyn) counted about 42 BSC night at Thirsty's, plus a whole lot of our friends (that should be members) and a bunch of our Eno Beach friends. The comradery is inspiring, and I must say, we have a lot of fun. If the "new" newsletter editor(s) are able to include any of our photos with this article, you'll see.

The staff at Thirsty's and Thurston himself made us all feel welcome. They put out a really nice spread of food and some of our members brought stuff too.

Jim Wayne kept the dance floor full. But we told him on our way out, he needed to practice some more before we came back. (He knew we were kidding!)

Brenda and I got our noses a tad bent out of shape when we went to the bar to order shooters and they didn't have "Dooleys"! Which made us have to think of some other type of shooters. We finally came up with pearl divers (not drivers, Brenda) and later buttery nipples. We bent Thurston's ear about the "Dooleys". He said he'd check into it and if they could get it, would have some the next time we came.

I think Ronnie and Mary were already gone by the time we started dragging out the toys. But that's all right; we got some good shots (Ron Russ on keyboard and Russ Riley on the cow bell) with the camera for them.

We heard the vans worked out good. Great idea. But, if there's a story there, someone else will have to write it.....Brenda.

A great big **THANK YOU** to Thurston, Linda and their staff for putting on a special night just for us!!!!

## Friday the 13<sup>th</sup> at Masters

By Dotty Whaley

Instead of; "The Night The Lights Went Out In Georgia", our theme song for Friday the 13<sup>th</sup> at Masters is; "The Night The Lights CAME ON Thanks To Georgia"!!

We partied big time with the "Pike Guys" from Georgia, Alabama and I don't know where all else, who were up here helping Duke Power restore service. Most of them were leaving the next day, so you know; they were going out with a bang!

Once we drug out the toys, it was pretty much a done deal. In this case pictures really do speak louder than words!

Thanks to Bobby (Snyder), they pretty much stayed on the dance floor and wouldn't take a polite "NO" or a rude "NO" for an answer. I don't know about the rest of you ladies, but the next day my arms and feet were sore!

We took lots of pictures and promised we'd mail copies and before they left, instead of exchanging addresses and promising to stay in touch, we took their "Pike" t-shirts, sweatshirts and jackets! Most of them went back to their rooms plastered and no shirts! Nita also gave them all a supply of "pain zappers" for the "morning after".

Thanks "Pike Guys" for lots of fun and oh, the power too.....

# BSC Christmas Party 2002

The Elks' Lodge was the place - the decorations were festive, the food was outstanding, and the music made your feet want to dance. Thank you Dotty Whaley for putting together a very nice Christmas party. Sherry from Bogey's did do a great job with the food and we very much enjoyed Jim Bowers' (the DJ) music. And our new President, Ronnie Gregory, made his grand Santa Claus entrance accompanied by his wagon full of jello shooters and was assisted by his two lovely elves dressed in their red sequenced outfits. That sure added a fun note to the party. Way to go Ronnie! And then let's not forget Brenda Smith, Evelyn Turner and Dotty Whaley just kept trying their new shooter recipes ... snickers, chocolate covered cherries, and who only knows what else. There were lots and lots of people at the party. We may need to consider finding a larger facility. The door prizes were enjoyed by all (at least those who won something) and the 50/50 wasn't too bad either. It appeared that the donations of can food for our Christmas Cheer family was bountiful and hopefully it will help them out. So as you can see, if you were not able to attend, you missed a great party. HAPPY NEW YEAR TO ALL!!

Gail Jordan

Hats off to all of you who worked so hard to make the Christmas Party special for members and newcomers like Allen and I. Also, thanks to DJ Jim Bowers for the great music, as always. It was our first BSC Christmas Party and we had a fabulous time! Evelyn has invited us numerous times in the past, but we always had some prior engagement. Now we know what we've been missing.

When Allen, Chad, Lee, and I walked in, the party was just getting started. We were cheerfully greeted and there was no doubt we were going to have a great night. We found us a table and headed for the Hors d'oeuvres which included everything we all love to munch on... chicken wings, meatballs, cheese, and crackers, veggies, nuts, etc. Next, we see Santa pulling a sleigh full of green and red Jell-O cups for everyone and he was accompanied by two Elf-ettes who were armed with flashy lights and a bag of chocolate kisses. Joy to the shag club! People were smiling all around us. Also, all through the night, there were some very nice and happy ladies who were offering neat and delicious desserts in small cups. You couldn't help but to feel the spirit of happy people having lots of fun together. Everyone was so friendly and that's what has always drawn me to shag club events. In the past, we've attended several shag club parties in the Carolinas and I must say, "there's no place like home, when you're surrounded by good people, good food, and good ol' beach music."
