From Your President

WOW! what a beginning to a brand new year. The BSC members really know how to get things started. First of all, there was great attendance at the first business meeting and a lot of ideas and discussions were presented, it was great. Then the Re-up party began, there was a lot of fun & laughter meeting with new and old members. I found it very interesting listening to some of the old stories about the BSC. Also, all the costumes and laughter created a great party, what a night of fellowship. It was great to see all the members working so hard to make the evening a happy moment for all. Thanks all of you for your hard work and dedication, you are a great asset to your club. I feel so lucky to be a part of this organization. It has been a great experience and I am looking forward to working for you and with you to make our club the very best. Please let me know if you have any ideas that might be of interest to the club. You always have my ear.

Re-up Party!!!

Friday night was filled with a lot of eagerness and willingness, moving in a new direction with its new officers. It was awesome to see so many of our old club members out and taking part. As always, new officers bring new ideas. There have been many wonderful friendships made, a great connection to our community with our service projects, and hope 2003 produces the same.

Carol Oakley

Just a note to all the Shag Club members that came out to support the Re-Up Party. Thank You.

A number of people signed up for membership at the party. I could write about the party but instead would like to give you just some of the numerous positive comments made by our Shag Club members. Words speak volumes....

Just a few of the comments were as follows:

- 1) "As a member since the inception of the BSC, it's been a longtime since I've had so much fun, it was like old times. The party was well organized and the committee did a great job on making sure everyone enjoyed themselves – thank you."
- 2) "I've been a member for a few years and at times wasn't sure I fit in with the crowd. This party was so much fun and people came up to me and made me feel welcome. I look forward to coming back now. You did a great job!"
- 3) "Great Party! Good idea on giving something back to our members."
- 4) "The party was a good idea. Thought it was good to use the money made at the beach to do something for our members."

To the Committee members – Thank you for all that you did to make this a fun party. This just goes to show; if we all work together and support each other as a club we can be successful.

Re-Up Party – Chairperson
Membership – Co-Chairperson

Friday, January 10, 2003 the Burlington Shag Club held it is annual Re-up Party at Master's Lounge at Ramada Inn, Burlington, NC. The Membership Committee did an outstanding job of planning, organizing, and executing the events of the evening. It turned out to be a great party with record numbers of members attending.

After the business meeting, the party began with great music provided by "Rockin" Ron Russ. Ramada Inn prepared a great spread of food for the members to enjoy. To enhance the atmosphere for the evening, a variety of sports theme blow-ups were suspended from the ceiling and table decorations were on every table.

Many members had taken quite a bit of time planning what they would wear. The outfits worn ranged from referee, cheerleader, college sports enthusiast, NASCAR fan, baseball player, Payne Stewart golfer, and let us not fail to mention the hunter outfit complete with a shotgun and duck call. Clint Sharpe had to be the most creative in the bunch. He was "The NFL Instant Replay Man" and he sported a hollowed out monitor with signage over his head. It was indeed hilarious! The fact that so many members came out and participated in the evening was just what the membership committee had hoped for in this party.

It was estimated that there were approximately 100 people there and many positive comments were made. The mood was festive with everyone laughing and smiling. Many long standing members as well as new ones were socializing and spent time getting acquainted with each other. The dance floor remained packed the entire evening. Judy Smith won the Gift Certificate from Ramada for the monthly Birthday prize and Mike and Erlene Hayes won the 50/50 raffle. It has been reported that 50 memberships, either re-up or new, were turned in throughout the night as well.

Congratulations to the Membership Committee on a job well done and a complete success! This was a perfect social forum for our club. What a way to start out the year!

What an incredible year we have had in the Burlington Shag Club. Remaining involved in the community as well as taking on some new projects for the betterment of our Club. We have joined together as a team. More members are becoming active in bringing forth ideas to make contributions towards the success of many projects. I am proud of the progress we have made and look forward to an increased participation in the coming year.

It has been said that the turnouts at business meetings have reached record numbers and I am encouraged by this involvement. This indicates to me that the members are truly interested in the inner workings of our club. We need this involvement to progress and I encourage more of our members to take part in the excitement of making a contribution. Let's continue to come together for the preservation of the shag dance and continue to be productive, with the goal of the betterment of the community and our club.

As officers, we have already begun the important task of forming the committees that work throughout the year. Each committee chair has contacted members to suggest their participation on the respective committee. With the committees formed and sub-meetings taking place to formulate the year's plan, I feel confident that this year will be exciting one. If you are not on a committee, you can still participate by coming out and supporting our efforts. It is very important that each member realize that the activities these committees may bring forth have the best interest of the club at heart. However, it will still be up to the members to decide if the activity is fun, exciting and in the best interest of our club.

I am honored to represent this organization as the Vice President. I take this very seriously and look forward to working with everyone during the year. I am very dedicated to the progress we can make as an organization and I welcome any comments that may help us achieve our objectives throughout the year. Call on me anytime, I am here to help in any way I can.

I hope everyone had a happy, joyous and safe holiday season and now that it is over, let's have some shagging fun!
