## Burlington Shag Club

Incorporated  
1985

October

### From the Prez,

A big thanks to all of the Burlington Shag Club Members for coming out supporting the meetings, Friday night get together's and all other functions of the club. It's a wonderful thing to see the membership working together and having fun. The Membership Appreciation Pool Party was a great success. There was big turn out and everyone said they had a great time. A note of thanks to all the officers and volunteers, who worked hard all day to make sure that you, had fun. Wasn't the DJ's great? Thanks Roy, Buddy and Zane. You all did a wonderful job and it is appreciated. Thanks again for donating your time. A special thanks to our sponsors, Stearns Ford, Paula's Café, and Larry Wilson. What you did was appreciated. Another special "thank you" to Larry Wilson, Clint Sharpe and the barbeque crew. Thanks also to Peg and Carl Hansen; their organizational skills came in handy! Actually there were so many other members that helped also. Our hats off to all of you for making this a special day. The food was great, barbeque, chicken, hushpuppies, baked beans and slaw.

SOS and Fun Monday was wonderful. Brenda and the Fun Monday Committee worked very hard to make this a great success. It was great fun for all and a lot of fellowship for those who came by the booth to either help out or to buy our products. Once again the booth was full all day long (inside and out). Our 2<sup>nd</sup> year in a row was another big success. Another thanks to BSC members, you took 2<sup>nd</sup> place for selling the most Fun Monday Tickets (488) and won \$100 for the club.

Did we not all have fun and fellowship at the BSC Tea Party at the Arcade Saturday afternoon? It was such a wonderful thing to fellowship together to meet all members old and new, who came. We all talked about the "good old" days and the "wonderful new" days. Around 100 members came to enjoy in the festivities. What a great time! SOS was such a great time. For those of you that did not get the opportunity to come, you missed a wonderful event.

Kim, Mary and I attended the ACSC/SOS meeting on Saturday morning. We are very encouraged on what is happening inside of these meetings. Until you attend one of these meetings, you really do not get a full understanding of the workings of the ACSC/SOS. We are committed and dedicated to work hard to further the "Shag" and Beach Music. We will put forth the effort to make sure that all of you understand that this means much, much more than just coming out on Friday nights. We ask for your continued support for this wonderful organization. They can count on the BSC to go the extra mile. Thanks to all of you for your hard work and dedication, your efforts do not go unnoticed.

## **Fun Monday proved to be just that...FUN!**

Early on Monday morning, September 15, the Fun Monday committee gathered to set up The Burlington Shag Club Booth for Fun Monday. Although many of us had a big night the night before and secretly wished we were still in bed, we forged forward in preparing the booth for a day of sales, fellowship, and fun. Not long after the set up, our sales began and we were "In the Business"!

Marty and Jack Fields came to cover the booth at 9:00 am and Marty was one great sales person. She refused to leave the area until all the straw hats sold and sell she did. Great job Marty! Others came as the day progressed and did their bidding at selling our wares with great success. Many members hung around to lend a hand where needed throughout the day. Carol Oakley and Jonnie Ellington, who did not sign up for booth duty, were there all day to stand in where needed. Others, such as Larry and Gayle Jordan, worked for extended times to cover the booth since we had no one signed up for the afternoon. As usual, Larry worked diligently to sell as much as he could. He was determined to sell out of goods if he could.

Many members came by to support our efforts and hung around to socialize. The booth served more than just for selling, it provided a gathering place for our members to meet and have fun together. Our President, Ronnie Gregory, was celebrating his birthday on this day and if you did not see him, you really missed it. Mary dressed him up in an oversized baby outfit completed with a diaper, bottle, and pacifier and paraded him down the street in his birthday suit. It was a sight to see! He is such a good sport.

Our booth was a great success again this year. The items we chose to sell were definitely on target. Dotty Whaley donated some glowing ice cubes for us to sell as well, and they went extremely fast.

At the end of the day, we had very few items left, however, we should measure the success of the booth in more ways than just the sale of goods and profits realized by those sales. The fellowship that everyone experienced in and around the booth and the fact that BSC had a gathering place for the Fun Monday events made the day much more enjoyable for all of us.

In closing, I would like to thank the all members for supporting this event, thus making this event a success and one in which we look forward to each year. Without your support, we would not have had such a great day of sales, fellowship, and fun!

Submitted by Brenda Smith, Vice President, Fun Monday Chairperson
