Burlington Shag Club

Incorporated
1985

From the Prez,

October 2004

What a time at SOS; so much to do. We saw many of our members, especially at our Tea Party – having a lot of fun and meeting new friends. The Fun Sunday and Fun Monday was also terrific. For those of you who have never been to Fun Monday, you must plan to attend next year. Thanks to Brenda for another, job well done on the Fun Monday items. Everyone around the booth had a great time and we sold many items.

Mary and I attended the ACSC Meeting and what a great day it was for our Club! Not only did our club get a cash reward for selling the most Fun Monday Tickets in our category, but we were also awarded the 2006 Summer Workshop. This is a great opportunity for our club to host the required meeting and have a weekend full of fun and fellowship, with not only our members, but also members of all the other shag clubs. I hope all of you will join us in making this event a very successful weekend. We will be calling on each of you for help, ideas and support.

We are starting our yard sale for our needy families at Christmas. Last year was great and many people in need were helped. Please bring things for the yard sale. There will be a storage trailer parked behind Ramada Inn for collection of items. Please see Peg Hanson, Peggy Childress or Mary for any items you have for the yard sale.

Our Halloween Costume Party is coming up soon. So, get your Spooky Costumes and get them ready.

Remember the Special Olympics Golf Tournament, October 9, 2004. You may not be a great Golfer (like me), but it is always fun and we need to support this event. The same night, we travel to GTSC for their Area Shag Club Party. A bus trip is planned; call Chuck or Denise for details.

Nominations of Officers for 2005 will be taken at our October 15th Business Meeting. Be thinking of someone you would like to nominate to serve as a club officer for 2005.

As you can see, so many things are happening in our Club. The participation has been great and I hope you feel as grateful as I do to be part of it. After all having fun, achieving our goals, and sharing are what we all love. The music, the dance and the friendships, what more can you ask for?

Kindest Regards,

Ronnie Gregory

Fun Monday and More....

One of the best things about SOS is that you get a chance to get together with other shaggers you have met along the way that are from other areas. You know, the people you don't see except when going to NMB for Mid Winter, Spring Safari, and Fall Migration. It's so much fun to see these folks each time and have a few laughs about what's been going on since we last saw each other. In addition to the fellowship of seeing old friends, there is a great chance of making new ones too. That is definitely a plus in my life as well. Each time we go to a SOS event, Burlington seems to come on strong! Participating in the Spring Safari Parade and having a Fun Monday Booth lets everyone know that Burlington Shag Club is behind the ACSC and SOS one hundred percent. While we have been successful in most of our endeavors, the biggest attribute is that we are increasing awareness of our club and the pride each one of us can have that we are active in support of the shag world.

It was good to see so many members working in and around our booth this year. Everyone who came to make a contribution of their time worked with diligence to sell our products. While it is hard to single out anyone for their efforts, I must say a big THANK YOU to C.B. and Joan Kimbro. I can't begin to thank them enough for their time and effort in our booth. I had no one to sign up for work in the booth after 2:00 p.m. and those two just kept on selling. There were a few people who tried to relieve them, but they insisted on continuing. You two are the greatest!

We still have some products to yet to sell. There are some Beach Chairs that some of our members pre-ordered with the Burlington Shag Club Logo that have not been picked up and there are still some available as well. In addition, we have beach mats, retract-a-badges, and a few drawstring bags left. Please come to the next business meeting night and I will have a display for you to make selections.

Thank you for supporting this and all the club's efforts. It means a great deal to me personally, but more to the club as a whole. With each event in which we participate, the awareness of Burlington Shag Club continues to increase, the reputation of our club is continues to grow in a positive way, and we should all be proud of that. Hat's off to all of you, you are great. I am so proud to be a part of Burlington Shag Club.

Respectfully submitted by Brenda R. Smith, Fun Monday Committee Chair

Another SOS story by Angie Sharpe

Fall Migration 2004 was by far the best SOS event that I have ever experienced. There were many different club sponsored and non-club events throughout the week that have made this SOS memorable. To start off, the tea party was a success and it was wonderful to see all of the members come out and support the club. It is wonderful to see that we are a strong club in numbers but even stronger when we come together as a group. The next event was later that night some of the members once again got together to celebrate Denise Upchurch's Birthday. All I have to say about that party is...Kent are you for HIRE and where do I find a costume like that!!!

During this SOS some of the members got together to take a non-shag related trip on a day long casino cruise. It was fun and if you were not there, no names mentioned (RONNIE & MARY) then you missed a REALLY good time. I think that out of the entire group that went, CLINT was feeling the best. In the future, if any one is interested in such and event just mention the words to Baxter and he will be sure to make sure that you are taken care of, thanks for setting it all up B-Man. If anyone who went on the cruise has any hot water please let me know where I might be able to find some!

The last memorable event that I had a pleasure to be involved in was Fun Monday. This was my first time attending this event and I have to say if you have never been, you need to make plans to be there next year. I want to say thank you to Brenda Smith who put a lot of time and effort to make this event so successful. Another thank you goes to Rick Campbell who showed his support to the club by donating \$5 for every print he sold to benefit the club so that we can further support charities like Meals on Wheels and Special Olympics. Finally, yet importantly, I would like to say that you to Beatle Juice, Biker Babe, Hooter's Girl, The Mask, Cape Man, Tina Turner, and Captain "C", you provide great entertainment and many laughs! Till next SOS...

Oh Yes, it was SOS!

What a great time we all had. The first weekend, the hurricanes missed Myrtle Beach, thank God! The Tea Party was on Saturday and went over well. The Arcade was packed with Burlington Shag Club Members. Our friends from Eden also had a Tea Party at The Arcade, so there was a lot of fun and fellowship for several hours. Then there was Fun Monday; our booth went well. It was packed all day. I never knew our club had so many great sales people. I was so thoughtful of Rick Campbell to let us sell the "Welcome To Ocean Drive" prints. I sold over 40 of them. The second weekend was fun, but a more relaxing weekend. There were still lots of people at the beach. I thought that a lot of folks would have gone home; some did but several stayed and a second dose. I took over 400 pictures, so be sure to check our website (www.burlingtonshagclub.com), you are probably in at least one of them.

I do want to thank all our members that sold and bought Fun Monday Tickets. Because of your efforts and support, our club won \$200 for selling the most tickets. Isn't that wonderful! Just goes to show you, when we all pull together, we can do what some think is the impossible.

Thanks to all
of you,

Mary
