November 2004

From the Prez,

Congratulations to all of the nominees who are considered to run for office of our club. There are a lot of talented people with new ideas and energy to keep our club going in the right direction. Congratulations again to all of the nominees.

As always our yard sale went great again. Through the hard work and dedication, this worthy cause was another success – raising money for our Christmas families. Thanks to all of you who helped make this successful. The Danville Area Shag Club Party is rapidly approaching. Make your plans to attend. Our Christmas Party is just around the corner so make plans to be there December 11th.

I hope all of you will be at the next Business Meeting to vote for your choice for officers for 2005. These are the one's who will lead our club in 2005. The Holidays are here already and we all should take a minute and be thankful for our friends and family. Remembering those who cannot be with us, that are in the military fighting for our Country. I am especially grateful to those who stand up and fight for our freedom. These are difficult times in our Country and let's not forget families of these brave service men who give their life, so that we all can be free.

Remember to support all of the things going on in the Shag Club, things are going well and people are having fun. Thanks to all who participated in the Special Olympics Golf Tournament. It warmed all of our hearts to help support a wonderful group of people, remembering Mike Flannigan, Past President, who we dedicated this function too. He will always be remembered. Special thanks to Steve McHone, Steve Pettigrew and Chuck Upchurch for another job well done.

Hope to see you all at the November Business Meeting.

Kindest Regards,

Ronnie Gregory

Fall Migration 2004

Evelyn Turner

Well, after many days of wondering if we would even be able to go to SOS, many of us made the trek to North Myrtle Beach on Friday, September 17 in the midst of driving rain storms and high winds. But, you know, there isn't much that keeps us from going to the beach! Lots of our members made it down and were out partying on the first Friday night. After short trips to other clubs, most of us hung out at the Arcade to finish the night.

Saturday was a beautiful day and if we weren't in one of the lounges, you could have found us on the beach soaking up the sun. Our Tea Party for 2004 was held on the first Saturday this year and there were LOTS of members in attendance. We had several types of cold beverages. I think everyone had a really good time. Fun Sunday was a great day. The streets blocked off were filled with lots of shaggers enjoying the good music. Most of that carried right on over into Sunday night.

Monday - the big day - Fun Monday. The street was packed, absolutely packed - the largest attendance ever for Fun Monday. The music was great and the food was good, but the best part was our booth. It was busy all morning and into the early afternoon. Our members were in the booth and on the street just working away at selling our wares. Lots of people pitched in and did a great job. Congratulations to all of you who worked so hard.

Tuesday and Wednesday were a little bit slower days. Some shaggers had to go home after Monday, and others didn't come down until Thursday. That's when it started to pick back up. Friday and Saturday were wonderful days. A lot of time was spent on the new deck at the Arcade.

At the ACSC meeting Saturday morning, our shag club received three recognitions. First we were awarded the 2006 Summer Workshop. Secondly, our club won for most Fun Monday tickets sold in our category, and Ronnie Gregory won for most tickets sold by an individual.

It turned out to be a great week. Weather was good, food was good, drinks were good, but being with all of the good friends, from other shag clubs as well as ours, was the best of it all!
