August 2007

**From the Prez,**

Greetings everyone!  
Hi Shaggers,

Well, I hope everyone is having a wonderful summer so far. We couldn't ask for better weather.

There are several events coming up this month. Our Membership Appreciation Party will be held on August 18 from 11:00 a.m. – 5:00 at the Ramada. That night at 9:00 we will also have a DJ in Master's so plan to stick around. Rooms are available at the Ramada at our reduced rate. Check the flyer on our website for details. The Special Olympics Golf Tournament is scheduled for August 25 at 8:30 a.m. at the Shamrock Golf Course, so get your teams together and see Chuck or Clint to register. The Winston Salem Area Shag Club Party is also on August 25; hope we can have a good crowd attend after the tournament to support our fellow shaggers. I hope we can attend all of these events!

As mentioned at the last meeting, we had a great time in Augusta at the ASCS Summer Workshop. The minutes will be available on our website.

SOS is just around the corner, so start making plans. We'll have a booth at Fun Monday selling men's t-shirts, ladies' tank tops, coolers, visors, and can huggers. See Committee Chair June Massey-Graham to volunteer some of your time on Monday working the booth. And don't forget, Delbert McClinton will be there performing on the street. This should be a fun time for all.

See you Friday – keep on Shagging!!

OK Guys, it is that time of year again!!! I know that a lot of you are shy and don't like to talk about some issues and topics, but face it some things just have to be said so here goes.

This is not only for the men in our club, but also for the women who love the men in our club and all of those men in our lives, husbands, brothers, fathers, sons, and friends.

There will be a Prostate Screening Fair held at the Alamance Cancer Center in September from 6:00-9:00 pm. I will have the date in the next issue. PSA blood test will be drawn as well local Urologist on hand for the rest of the exam. This fair is **FREE**. If you go to your physician for the same exam and lab work it would cost you approximately \$250.00 to \$300.00. The PSA test covers most of that charge due to most insurance not covering the cost of PSA tests and you pay out of pocket. When prostate cancer is left untreated, it goes directly to the bone and the outcome is very poor, recovery is impossible once it gets this far. Please guys, go have this done so we ladies have you around a long time to come. We need you in our lives as well as on the dance floor. Ladies do your part by encouraging all the guys to attend, it is just as important for them to have this exam as it is for you to have your mammograms and pap smears. If you need any further information, you may contact me at the Cancer Center at 586-3758 or 568-3906 which is Rita Agnew's number. Either of us can answer your questions concerning the tests provided or give you information you may need. As I said during the last business meeting, I see a lot of our members in the cancer center getting treatments and you know who you are, please help me to encourage the others to either come to this FREE screening or go to their physician and have this test done. It only takes a few minutes of your time and what is a few minutes when those few minutes can save your life??? I'll be waiting and I hope to hear from all you guys.
