September 2007

**From the Prez,**

Hi Shaggers,

Wow! What a summer. There was so much going on, it's hard to believe that September is already here!

A big thanks goes out to the committee, Michelle Thomas, David Satterfield and Judy Satterfield, for planning and making the Membership Appreciation Pool Party a great success. And to each of the DJ's who performed, as usual, you guys are the greatest! Thanks for volunteering your time.

We had a great turnout for the Special Olympics Golf Tournament last Saturday. It was great to see each of you out either playing in the tournament or volunteering at one of the stations to support the Alamance Special Olympics. Denise, Chuck, Angie and Clint, you did an outstanding job organizing this event. Thanks for your hard work and dedication!

June brought some of the Fun Monday items to the pool party to give members a chance to make purchases prior to SOS. Over \$500 worth of merchandize was sold and they're re-stocking for Fun Monday. The items include: men's t-shirts, ladies' tank tops, coolers, visors, and can huggers. See you at SOS, and don't forget, Delbert McClinton will be there performing on Monday.

We have been asked by Ramada to remove the trailer on-site used to collect yard sale items. We are in the process of finding a general location to store the trailer that is safe and easily accessible for the members. You will be notified by way of phone tree as to the new location.

See you Friday – keep on Shagging!

OK Guys, Don't forget to come by the Cancer Center on **September 25<sup>th</sup>** between the hours of 6:00 PM and 9:00 PM for your **PROSTATE SCREENING!!!!**

This is open to all men from the age of 50 years and up. If you are under 50 years of age and have been having symptoms or have a history of cancer in your family, (it does not have to be prostate, it is any type of cancer), then you are also urged to come for screening.

There is no charge for this screening and it will not only save you approximately \$250.00 to \$300.00 in medical charges but it could also save your life. A PSA blood test will be drawn as well as local Urologist will be on hand for the rest of the exam. This fair is **FREE**.

When prostate cancer is left untreated, it goes directly to the bone and the outcome is very poor, recovery is impossible once it gets this far.

Please guys, go have this done so we ladies have you around a long time to come. We need you in our lives as well as on the dance floor. Ladies do your part by encouraging all the guys to attend, it is just as important for them to have this exam as it is for you to have your mammograms and pap smears. If you need any further information, you may contact me at the Cancer Center at 586-3758. As I said during the last business meeting, I see a lot of our members in the cancer center getting treatments and you know who you are, please help me to encourage the others to either come to this **FREE** screening or go to their physician and have this test done. It only takes a few minutes of your time and what is a few minutes when those few minutes can save your life??? I'll be waiting and I hope to hear from all you guys.

Sheila Walker
