Giddy up go! How The whole 10 days music and the What a great time and celebrate the Many friends and this short period of time and we all are truly grateful for all of the good things that we enjoy today. And how about the SOS Parade? For the 7th straight year, our club has won first place in the "Best Shag Theme" category. Congratulations to all members supporting and/or participating in the float. This could not happen without the help from our club and sponsors. A big thank you and it was greatly appreciated for all that you did. A special thanks to Brenda Smith for heading up this committee and to all who participated and gave their time, there are just too many to mention names. But a big thank you and job well done. But something special happened, not only did we win a trophy and cash award, we all decided to give the winnings and matching funds to the Fire victims and emergency crews from N. Myrtle Beach who lost so much in the fire. This was a true labor of love from our club members. My profound sense of gratitude goes out to all of you for what you did.

We have all been talking about the AED Difibulator and we have held meetings to try to answer your questions and concerns. If you have any other questions, concerning this decision, please contact Joan Kimbro, Sheila Walker or myself. We will take a vote at the May Business meeting to decide this issue.

Don't forget the ENO Area Party on May 16th., also the Wine trip to Grove Winery on May 16th. Polly and her committee has been putting together our Area Party for June 13th so start making your plans to come to it, because this is one you do not want to miss.

In closing, there is nothing more that I can say but Thank You to all of you for your kind words and concerns for those in our club with health problems and those that are suffering because of the economy. I have seen and heard compasion that you have for one another and you have shown your undonditional love and support for your fellow members and friends. Let the fun begin on a Carnival cruise vacation.

4 day Western Caribbean cruises from Miami, FL

Your first stop on this cruise is right in downtown Key West, Florida, America's most uninhibited playground. Check out the shops, the museums, the shady tree-lined streets, and the lively bistros and bars on Duval Street. From there, you're off to Cozumel, Mexico. The most beautiful island on the Yucatan. Naturally, watersports reign supreme on a paradise with so many beaches and coral reefs, including Palancar Reef. But shopping for duty-free bargains and handicrafts is also a popular activity. On this cruise, you'll enjoy one fun adventure after another.

Burlington Shag Club Board of Directors Sixth Meeting April 8, 2009

The Burlington Shag Club Board of Directors meeting was called to order by Joan Kimbro at 6:45pm. Joan opened the meeting with a discussion on the AED unit. She introduced Bud Cato with the Burlington Fire Department. He discussed the liability and said you can be sued by anyone for anything. He said you are covered under 2 laws: 1) CASA 2000 Cardiac Arrest Survival Act which states that every Federal Building must have a defibulator in it and any person helping is covered as long as they are acting in good faith. 2) The Good Samaritan Law in which you are covered as long as you act in good faith in what you are trained to do. Bud stated that the Battery for the AED is good for 10 years or 100 shocks. Pads are around \$20 and have an expiration of 1 year and you can use them one time. Survival rate with an AED is about 80% and without is about 7%. He stated that he would train us on CPR and AED at NO charge, whether we bought an AED or not. Joan will let the Club know of our discussion at the next Business Meeting.

Joan passed out Tort laws, Red Cross information and Good Samaritan Law info and asked everyone to take and read. The meeting was adjourned at 8:05pm.
