AUGUST 2009

From The Prez...

Fellow Shaggers,

I hope all of you are having a great summer. There are a lot of activities coming up and I hope you are making your plans to attend these events. Our Membership Appreciation Pool Party (August 22nd.) promises to be a lot of fun, so come out and have a great time with your friends.

The Special Olympics Golf Tournament is just around the corner and we need teams and your help to get sponsors for this wonderful event. Please see Chuck Upchurch or Clint Sharpe to volunteer to help.

SOS is right around the corner too and what a great time is in store for you, Saturday is our Tea Party at the Arcade from 3:00pm - 5:00pm. You won't want to miss this. Lots of things are going on Sunday; our Coalition Party is on the Beach from 1:00 - 4:00pm - come out and enjoy a day in the sand with your friends. Also, Fun Sunday is happening in the parking lot in front of the Boulevard Grill. As you can see it will be a great day on Ocean Boulevard. And then there's Fun Monday on Main Street, come by our tent, the club will be selling things that you will want to purchase. Several members of the club are selling Fun Monday Tickets and without your support in purchasing and selling these tickets, we would not have these two events nor could we give our support for Camp Kemo. Just remember, your support is not only needed for this event but for all the SOS Member Clubs.

On a personal note, I hear so many good things about our club everywhere we go. It takes a special group of people who pull together and put aside their differences to make our club what it is today. Be proud of all your accomplishments and rejoice in helping further the music, the dance, and the lifestyle.

You're all the BEST!

2009 ACSC/SOS Summer Workshop

The First Coast Shag Club of Jacksonville, Florida hosted a great Summer Workshop this year. Beginning with the "Welcome Aboard" hospitality for all "Early Birds" on the River Boat, to the night dances, to the hospitality rooms, to the pool party, this club planned and prepared perfectly for their incoming guests. There was great music, good fun, information sharing, and lasting memories made throughout the weekend by all who attended.

All registered participants were greeted and presented with a goody bag chocked full of information of Jacksonville sites of interest and Restaurant locations. If you were fortunate enough to arrive on Thursday, you had all day Friday rendering a great opportunity to sight see around Jacksonville. Crossing the river lead to the inner city and the famous "Landing" where Beach Music and Blues echoed throughout the day. Our Workshop hosts had ensured the people working the sound system had plenty of "Our" music to play for the entire afternoon. What a delight it was to sit in an open air café, on the river front, have a few snacks as well as a few libations, sit back, relax, and tap our toes to the beat of the music we love best. It just doesn't get much better than that! Friday evening the official Welcome Hospitality offered all the right elements to kick off a wonderful party. The DJ's were spinning great tunes in the Ball Room and kept the Dance Floor full. Midway through the night's activities, we were all treated to a performance from a band made up of First Coast members. What fun!

During the Workshop meeting on Saturday, we were asked to go back to our clubs and inform our members regarding topics and issues relating to Fun Sunday and Fun Monday. The North Myrtle Beach Emergency Personnel are asking that no chairs be set up on the sidewalk down Main Street, and that we keep the sidewalks free and clear of congestion. This is a safety issue. If someone should need emergency help, the rescue personnel cannot help him or her if the sidewalks are full of people and chairs. Again, no coolers are allowed on the street. You may purchase beer only from one of the outside vendors and it must be in a cup, no cans or bottles are allowed on the street at any time as well mixed drinks. The city of NMB, SC welcomes shaggers to the area, so please adhere to their request as there could be a hefty fine if you do not observe the ordinances. Come prepared for a day in the sun by bringing sunscreen, chairs, and hats but please, no umbrellas for shade. We are all looking forward to what Fun Sunday and Fun Monday has in store for us this year and let's do what we can to support a safe and fun environment. In addition, no golf carts will be allowed on Main Street on Monday, as the road will be blocked off all day. There is also an official lighting of the silhouettes on NMB water tower on Saturday. This will be an exciting time for us all. Make plans to attend this ceremony and enjoy the activities that have been planned for all those attending.

Kent and I always look forward to hearing what is going on in our Shag World and this Workshop meeting was a great one to gain understanding of the ACSC and SOS. While there are many things Kent and I have learned regarding these organizations over the years, we continue to learn more and more as we attend these workshops. We sat and listened to our elected leaders speak on how it all began and evolved through the years. There was one statement made by one of our officers that rang true for just about all who attended this meeting. "Shag dancing and Shag Music will change your life." After hearing it you could not help but walk with the memories of SOS experiences, local Club experiences, and the lasting friends you make along the way and agree whole heartedly. If you have never attended an ACSC/SOS workshop, please consider doing so. You have 2 opportunities next year as both workshops are in North Carolina. Twisters Shag Club is hosting the Winter Workshop in Mooresville, NC and FASC in Fayetteville, NC is hosting the Summer Workshop. Make your plans now to attend one, if not both of these upcoming events in 2010 and take the time to attend the ACSC meeting while you are there.

A Note from Penny Simmons

I would like to thank everyone in the club for their continued prayers for my dad and my family. The visits of those who came to the funeral home and to the house were appreciated. We appreciated all the beautiful and inspirational sympathy cards, calls, e-mails, the food which was provided for my family, and the plants which were sent. It means a lot to know that I have wonderful and loving friends at a time such as this.

Thanks.
