NOVEMBER 2009

Proud Members of

Shag Rag

Burlington, NC

Greetings,

From The Prez...

Now is the time to decide who is to head our club for 2010. Fortunately, we have good condidates to step up and run for office. Good luck to all and to all our members, it is very important that you support the winners.

Still a lot is going on within our club. Our Halloween Party is this Friday night and this party is always a good time, hope to see all of you there.

Meals On Wheels is in full gear and a lot of great lines of entertainment and leading the way with Jim Quick and Coastline. Get your tickets early, they make GREAT Christmas gifts.

The Danville Area shag Club Party is November 21st. Let's get a good group together and support one of our coalition partners.

The Entertainment Committee has been working hard preparing for our Christmas party and what great ideas they have come up with. I'm sure you will be well pleased, so start making your plans.

We are entering the time of year where we all give thanks and it makes it special that our club gives back in so many ways. We are so fortunate to have so many of you who are so caring. Thanks to all of you for doing what you care about and love.

Again, please keep in mind all the people in our club who are sick and are having troubling times.

Keep on shaggin',

Keep on shaggin',

CPR/AED Class

The first CPR/AED class was held October 17th at the Burlington Family Moose Center. There were seven participants. We all had a great time and learned a lot of useful information and skills. I would like to thank the following for stepping up for the health of our club. Ed Smith, Butch Dowd, Pam Hord, Polly Tuttle, Edith Loy, Cindy Sharpe and Hugh Walker. The skills learned during this class are not skills that will only be utilized in our club setting or on our club family members, they are skills that can be performed on anyone at any time when needed. If you did not have the time in your schedule to attend this class, others will be scheduled to give you the opportunity to learn these valuable skills as well. There is nothing more rewarding than to know that when someone needed help in a life threatening situation, you can step in and be the first step in saving their life. Please thank your fellow club members who have taken the time to do this for the health of our club. The life that is saved may be your own.

Thank you,
Sheila Walker
