Notes from the President ...

Summer is finally here and so is the hot, hot weather. I remember what seems like a few weeks ago we were complaining about the cold weather. So we will take the hot temperatures and enjoy summertime!

A few weeks ago our club held our annual luau at Showtime Lounge and actually most of Country Club Lanes. Yes, this is just what we did. Thanks to our Showtime family, Tony, Robin, Kelle, Niki, Luke, and Stephanie,

Country Club Lanes was closed for bowling so we could transform 80% of the building into a great place to hold a luau. Many had doubts this could be done, but once the decision was made to give it a try, members began working on great decorations, then gathered at Country Club Lanes to put it all together – before long it was ready for a great party. Robin prepared all the food and her entire family worked the entire night to make sure we were having a wonderful night. Evelyn Turner and Kim Sellars co-chaired the event and did a great job for all of us. With the extra space we were able to have two separate dance floors and two DJs – Rick Turner and Chigger Woods. When all was said and done, we had sold 393 tickets. It was a wonderful party and we were so happy to have shag friends attending from all sister clubs in our coalition. Thanks goes out to all the club members who gave of their time to make the decorations and to those who worked getting things ready, worked the doors, baked desserts, or did anything that made this luau a success. It was a great party and from all the compliments, everyone had a wonderful time.

Speaking of our Showtime family, Stephanie who worked the entire night at the luau, gave birth to our second Showtime baby, baby Max, the following Wednesday. Baby Max is the son of Tony and Stephanie and is now at home and I am told looks just like his dad. We are planning our Special Olympics Golf outing at Indian Valley. Stephen Stearns and Chuck Upchurch are co-chairing this event. Please check this newsletter for more details and I hope you will keep in mind this is a fund raiser to raise money for special needs athletic in Alamance County. If you do not plan to play golf, please consider being a sponsor or signing up to help work the event.

Your officers and board members are currently working on giving our membership a membership appreciation party in a month or so. More details will be provided when they become available. WE do this because we do appreciate our members and want to have a party that hopefully many will be able to attend.

SOS is just around the corner – please see Edith to purchase a Fun Monday ticket. These tickets are \$10.00 which, to some, may sound like a lot of money for a ticket. Please keep in mind, Fun Sunday and Fun Monday entertainment events are free of charge. But the lineup of bands for both days is costly – when you buy a ticket, you are making a contribution toward the great entertainment you enjoy. In addition to helping with this expense, you purchase a chance of winning cash money and helping our club in two ways, getting our booth free and perhaps a cash prize if our club sells the most tickets. So please buy a ticket.

Enjoy your summer, be safe when traveling, come to Showtime when in town, and please remember to keep our members in need in your prayers. NOW GO AND DO WELL.

- There are three (3) levels of membership
- All membership levels exercise voting privileges in all Cammy categories

LUAAU PARTY 2014

Oh my goodness, where do I start! A completely new venue, a new staff to work with, new ideas to put forth, etc... and what happened.... A HUGE SUCCESS!! When Tony approached us early in the year and told us he wanted an opportunity to host our annual luau at the bowling alley, there were some skeptics (how in the world are they going to convert a bowling alley into a party venue?). Members voted to give it a chance and wow, we are really glad we did. The staff at Country Club Lanes did so much work to accommodate us and did a fantastic job. Our first Thank You goes to all of them.

We were so proud to host 393 people for our luau party and getting that many people in the door, checked in, and through the line was a real task. Thank you Lorna Shively for chairing this duty. Even before the guests got inside to the party, they were treated to a lei at the front door. Thanks to Edith for chairing that fun duty. We fed 340 for a delicious BBQ dinner. Thank you to Robin and her staff for preparing such good food for us. Thank you Polly Fox for chairing the serving line which went smoothly in both rooms. Oh, that dessert table looked so good – thanks to Betty and Jake Caviness for heading up that duty. The seating arrangement that CB configured worked really well in both the front room and in the lounge (good job CB, thank you). Thanks for Danny Shelton for making arrangements for table/chairs rental. While it was a bit warm in the lounge, it was really comfortable in the front room because of the open space. Thank you to Chigger Woods and to Rick Turner for providing great music and keeping the dance floors full the entire night. Our “entertainment” featured Russ Riley singing Mini-Foo-Foo, with the assistance of Gary Crawford, Dallas Crawford, CB Kimbro, and Tony Valenzuela as Mini-Foo-Foo strippers. I’m not sure that beautiful is the word to describe them; struggling with the word lovely, so let’s just say they were interesting looking! After that performance, Chigger joined Russ to treat the crowd with “Bring Your Own Money With You”.

Later in the evening, door prizes were drawn, the beach buggy winner was drawn, and the 50/50 was drawn with \$561 to the winner (a guest from High Point). Thank you to Teresa Upchurch for taking care of door prizes, to Sissy Tillman for the beach buggy work, and to Jesse Justice (with a lot of help from Jonnie Ellington) for all the 50/50 sales during the night.

The venue was decorated with festive and colorful table decorations, ceiling hangings, and wall decor. I would like to thank all those girls who came to workshop every week to help make all those pretty things and to volunteers who came out of Friday and Saturday to help get everything in place. Thanks to Kurt Lankford for letting us use his garage as workshop space. Thank you Kim Sellars for the flyer and other computer duties and thanks to Joan Kimbro for promotions. Thanks to Stephen Stearns who provided the shuttle and that was appreciated by guests.

It was very much a successful and fun party. We heard lots of compliments all night long, especially from guests telling us what a friendly club we have. I am so proud of that and thank all our members for being such wonderful hosts. Thank you to Kim, Baxter, Sissy, and Rick for being co-chairs. It was a major undertaking and again, our club did a fantastic job.

Janice Goldston had a hip replacement and entered Edgewood for physical therapy. Bill Allred had a heart catheterization which indicated an 80% blockage requiring a stint. Showtime's Anthony and Stephanie have a new baby son - Max. Jesse Justice was able to have the hernia surgery and is home feeling better already. Gail Paschal has a new grandson. Congratulations to Showtime's Kelle and Luke who became engaged following the Luau party.

Fun Monday: Edith said that We still have a lot of Fun Monday tickets to sell. If we can sell at least 100, we get out Fun Monday booth rental back. We need to support this event as it helps to pay for the bands for the Fall SOS. 1st place is \$7500.00, 2nd is \$2000.00, 3rd is \$1000.00, 4th \$500.00 and 5th is \$250.00. Please see Edith after the meeting if you want a ticket or want to help sell them.

SOS Cards: Edith also had 10 more SOS cards, of which 7 are sold, leaving only 3. They are \$30.00 now, but will be \$35.00 at the beach.

Board of Directors meeting: Per Edith, last meeting was held on 5/15/14. The BOD discussed MOW and getting a chairperson for Fun Monday. We also discussed the by-laws. The next BOD meeting is tonight, right after tonight's business meeting.

Bowling Tournament: Evelyn Turner stated that we had another successful bowling event. We had 37 bowlers and quite a few members came to watch. We mad \$248.00 for the club. We will look into having another one in early November. The winning team consisted of Luke Coble, Doug Foley, Mary Shelton and Gail Copeland.

Luau: Evelyn announced that it was a success again this year, with approximately 393 in attendance. The new venue at Country Club Lanes worked out really well and people loved the two DJs and dance floors. Folks wanted to know "how you could turn a bowling alley into a party venue?" Robin's food was great and everyone enjoyed it. Evelyn thanked everyone who helped out on the decorations and those who came out week after week to help. Our club budget was \$5000.00 and we didn't need to touch that allocation. We still made a profit of \$1536.00 for the club.

July 4th: There will be NO DJ that night.

ACSC Meeting: Joan and CB Kimbro will be attending the Summer Workshop/ACSC Meeting in Augusta, GA from 7/11-7/13. This is open to all who want to attend. Tickets for the event only are \$65.00 through 6/23/14 and then they go up to \$75.00. Rooms are charged separately.

Special Olympics Golf Tournament: Evelyn reported that this is scheduled for 8/9/14 at Indian Valley. Tee-time is set for 9:00 AM. The cost is \$60.00 per person (\$240.00 per team). Checks should be made out to the Special Olympics of NC and can be sent to the shag club or Stephen Stearns. She has flyers and sponsor letters.

MOW: We have booked Coastline for the 2/14/15 event. The contract has been received. Stephen is already working on the details.

Club Website: Mary Gregory made a presentation on the website and handed out flyers about the usage of the site. We are paying \$24.95 every two years for the domain name. The web site itself costs us \$10395 per month. Please get info to her as quickly as possible and she will try to get it posted on the site within 24 hours. After some questions answered, Mary reaffirmed that this is the club's website, not hers. This is a place that we can get information on our club, other clubs can get info on BSC and also links to other sites/clubs. She also asked that committee chairs/officers get information, photos, flyers, etc. for her to post. She promises that she is very approachable. On the question about this not being compatible with smart phones (photos), she has changed the software that she was using for loading these and it is now working with the smart phones. She also asked that if you want to see something on the site, she is open to suggestions. Joan asked that anyone who wants to help with the site or work on upgrades/changes to let Mary know that they are willing to help.

Club Historical Information: Gail Jordan, our club historian, stated that she has many scrapbooks from over the years that she has been doing this and that they are at her house, but no one gets to see them there. Should she bring them out to the club or to special events to have them on display for those wanting to view them? It was suggested that we might want to put some of this on the website under a "history of the club" section. Joan reminded everyone that in 2015 we will celebrate our club's 30th anniversary. We will be looking into ways of using/displaying this information that Gail has spent so much time compiling for us. Joan went ahead and issued a challenge to come up with ways to celebrate our 30th anniversary.

50/50: Mike Wilson won \$28.00

Next Business meeting is July 18th.

Meeting was adjourned at 7:50 PM

Respectfully submitted by: Lorna Shively, Secretary

BOWLING FUN – SPRING 2014

Oh what a night of fun, laughs, and good bowling (well, maybe not so much on that last part!). Saturday night, May 31st, members of our club and some guests had a large time at Country Club Lanes for our Spring bowling tournament. Now we did have to coax a few people to join us. Their excuse of “I can’t bowl” was just not accepted. We all can bowl, it just might not be real pretty sometimes! In addition to throwing the ball down the lane and knocking down pins, the night was intended to get to know your fellow member even better and share some good times. We definitely did that.

Individual stars for the night with the highest scores for the two-game set were – Ladies – Amber Allen (289), Betty Honeycutt (218), and Debbie Seward (215). Debbie is Carol Pettigrew’s daughter. For the Men – Ronnie McMannen (290), Watt Parker (279), and Gary Crawford (272). Of course our pro member, Luke Coble, burned the lanes with a score of 443!

The championship game came down to the team of Amber Allen, Glenn Miller, and Allen Duvall against the team of Doug Foley, Mary Shelton, Gail Copland, and Luke Coble. The team of Doug, Mary, Gail, and Luke took the honors as Champions for Spring 2014.

After the tournament, we went into Showtime Lounge for a night of music from Allen Brown. The winners were celebrating and the losers, well they were celebrating too because it was so much fun. Members are already asking when the next tournament will be (probably early November, if approved). Thank you to Jesse Justice for co-chairing this event. Jesse couldn’t bowl this time because of a medical issue, but he’ll be ready next time.

Thanks to everyone for joining in on the fun....Evelyn Turner
