## Burlington Shag Club

Incorporated  
1985

# November

### From the Prez,

Congratulations to all volunteers and participants who participated in the Special Olympics Golf Tournament. It was another great success. Thanks to the effort of Al and Steve who continues to lead the club in organizing this wonderful event, and thanks to all of you who made it special for us all.

It was a fun filled night at the Greensboro Area Shag Club party. I understand 65 members from our club attended and we won \$50.00 for the club for bringing the most members there.

Nominations have been made and elections will be in November. Come out and exercise your voice. There are a lot of good candidates. These will be your selections to choose from for your new leaders for 2004.

Thanks to all of you who continue to support your club. It has been a great place to come on Friday night and have fun. Also, the move to Best Western should help relieve the over crowdedness we have been witnessing. The club continues to grow, and a lot of interest is being generated by new members who are interested in the Shag dance. It's a great time to be a member of the Burlington Shag Club.

Thank you all for making it special.

*Ronnie Gregory*

## **Burlington Shag Club Special Olympics Golf Tournament October 11, 2003**

Once again, the Burlington Shag Club had a very successful golf tournament. The weather was cool, but we had a great turnout with 28 teams.

The "refreshment caddies" provided golfers with their favorite beverages along with some unexpected entertainment. (Brenda and Ashley, did people really pay you not to sing?)

Registration went smoothly and I would like to thank Linda, Evelyn, Peg, Dotty and Peggy for their patience and hard work. All of the teams were paid up and on the course by 8:45.

When everyone was finished playing, we were treated to hamburgers and hot dogs and all the fixins. Sherry Stanley and her staff from Bogeys came through for us once again. After lunch, it was time to distribute the prizes and there were plenty to give away. Thanks to everyone who called on various businesses for donations.

Congratulations to all of the winners in all three flights, closest to the pins and longest drives. But the biggest winner is Alamance County Special Olympics. The support from the Shag Club and all of the players is heartwarming. The total money raised is not available as of today, but is now standing at over \$9,000.00.

I would like to thank everyone for all of the hard work that goes into accomplishing a successful tournament. It just goes to show that when the Burlington Shag Club pulls together, we can do anything!!!!

Steve McHone

### **Membership Renewal Information**

Renewals should be given to Peg Hansen or to the Membership Committee or mailed to the Burlington Shag Club, P.O. Box 1174, Burlington, NC 27216. The cost of the BSC Card is still only \$15.00. You can also order your 2004 SOS Card at the same time for \$30.00.

Also, please use the Membership form in the newsletter or print it from the website ([www.burlingtonshagclub.com](http://www.burlingtonshagclub.com)). We need to update our roster with correct information and if you will fill out all the applicable items on the form and send it in, it will be much easier. We would also like for our Hall of Fame Members and Past Presidents to send in this form too. Even though they have lifetime memberships and don't have renewal charges.

Thanks.

Please keep Judy Hunt in your thoughts and prayers, her brother passed away recently.

Also, Lisa Jarrell's mother has been in the hospital; please remember her during her time of illness.

## Bus Trips

I wanted to thank everyone that participated in the Meet the Area Shag Club party in Greensboro on Saturday. Everything went smoothly as always. We were all on a mission to win the \$50.00 for having the most members from a club and guess what we WON!!! I was told there were 65 members, 45 of whom rode the bus and the others drove. There were a lot of door prizes given out, if I am not mistaken six from Burlington won and they were really nice gifts. (If you need a car wash contact Sheila and Hugh they won a kit for car cleaning). I was very proud to represent the club in accepting the check for us.

In socializing with everyone from Raleigh, Durham, Danville and so on, I was confronted by Ray who is the President for Raleigh Shag Club for the year 2004. He is a good friend of Chuck and I, and he asked me if we would get a bus to come to Raleigh. I told him I would be glad to, on one condition, they have to come to Burlington and he said that was a deal! He went on to ask what band we wanted and DJ, I suggested the Holiday Band, but we can all decide who we would like, until then he is working on a schedule and will let me know. At this time we are saying somewhere in March on a Saturday night.

The next trip is Danville November 22, at the Stratford Inn. Anyone interested please contact me at 437-9701. Deadline for money will be November 14th. Thanks again, so much for all the support and making the bus trips successful as well as so much FUN!!!

[P.S. Dennis Melton what is the deal on catching buses, either departing to and from!!!! Someone call him the day of.](#)

Thanks,

Denise Upchurch

## Greater Triad Area Shag Club Party

While attending the Greater Triad Area Shag Club Party at Thirst's 2 on Saturday, October 18, I was filled with such a sense of pride for the Burlington Shag Club. On numerous occasions, folks from Eno Beach Shag Club, Greater Triad Shag Club, and Winston Salem Shag Club spoke very favorably about our club and made many compliments on how our club has evolved into such a fun group.

I cannot speak to what has happened before I became a member. I have been a member for a little over 2 years. During that time, I have met some wonderful people and made some long lasting friends that I would not have known if I had not entered into the "shag world". I have had such fun being a member of Burlington Shag Club and I have learned a great deal about the club as well as some about the past. However, while we can learn from the past, we must look to the future in order to keep on track with our club. Times change, people change, and organizations change. Along with that, leadership will change. It is unfortunate that we have some members who focus and concentrate on the negatives. In reality, those types exist in all environments whether work or play. Typically, this type of mind frame promotes turmoil as well as inhibits growth. However, we have many members that wish to move forward and make every effort to do so. I would challenge those who have been resistant to the changes within our organization to get back on track and give the new ideas a chance.

Each activity, whether a Bingo game, Bus Trip, or a benefit event such as Meals on Wheels or Special Olympics, is done so with the purpose of enhancing each member's experience when participating, having a good time with friends, and in some cases, helping others. How can anyone find the wrong in that? We are a social group with a community conscious.

Each of us has contributed to our success, no one person can make things happen, it takes a group of people who are dedicated to our club to make a difference. Let us continue to find new ways to come together, grow, and contribute to our community; being part of such a great group is a wonderful thing!

Brenda Smith

## Editor's Corner,

Next business meeting for the club is very important and all members should consider their vote as being important. Electing officers for the club is a way for each member to contribute to who they think they want representing them during the next year. All members need to come out and support their club!!

There are many events coming up over the next two months that are important to the club. Everyone needs to come out and support the club in all areas. After all it is the members who have made this club grow and be successful. Have a great month and a Happy Thanksgiving. The deadline for the December Shag Rag is November 24<sup>th</sup>. Till next time...

# Festival of the Oaks

Blue sky, sunshine, friends, fellowship, music and dancing – what more could we ask for! We had all of this as we danced away at the Festival of the Oaks. It was a bit chilly early on but we certainly warmed up, thanks to the sun and our dancing feet. We really felt special with our very own dance floor and a great band playing for us. The Johnny Dollar Band was fantastic and kept us moving. Even when they played something that was a little fast for most of us, that didn't slow Gerri Swain and Robert Hubbard down one bit. The faster the band played, the faster they danced and didn't even miss a beat. Way to go! Even the band applauded them! We all had a lot of fun and appreciate being allowed to showcase our favorite dance. When the dancing was done, we enjoyed walking around and seeing all the interesting craft items that were for sale. Our very own Judy Hunt had a booth with her beautiful custom designed jewelry as well as some unique items. The pacifiers that lit up were a big hit. A great big "thank you" to everyone who came. It was a wonderful opportunity to show our community how much fun and good fellowship we have together.

All members are welcomed and encouraged to come and meet this wonderful family!

Dear Burlington Shag Club Members,

I have had fond memories of my association with the club since I joined in the early nineties. Of late, that has begun to change. The objective of the club is to preserve the Shag through sharing the enjoyment of the dance with others in a friendly atmosphere. This objective seems to be fading!

My heart has been extremely heavy during the past several months. We are adults who should respect the rights of each other. However, those of us attending the meeting know that this has not been the case. We have experienced much dissension in the club. Frankly, I find myself not wanting to attend the meetings. Leaving the meetings tense, places a dark cloud over the wonderful evening I had hoped to enjoy by listening and dancing to our music.

Folks, the club does not belong to one person or group of people. We should remember that it is a club for all of its members. Having served as president and working for the public for thirty-three years, I am the first to know that you cannot please all the people all the time.

Our club and its members are closely observed by the community that we live in. We have done wonderful things for our community. I believe I, along with Al Fogleman and Bob Marcia, accepted our first award for the club from the governor in 1995. But--it was a team effort--no one person earned the award; the club did. We can only continue by working as a team and not pulling against each other.

I truly enjoy the music, the dance, and the camaraderie I experience by being a part of the Burlington Shag Club. In our Democratic society, we have many freedoms. The majority rules is one established by the founding fathers of our country, as well as the freedom of speech. Friends, we must come to an understanding so that harmony exists within our club. If the animosity continues, it will not be advantageous to our club; examine the last several months.

Burlington Shag Club Members must work together for the good of our club and the services we help provide our community. Many depend on what the club contributes outside our Friday night gatherings. It warms my heart to see our members working side by side to help provide meals, opportunities for special individuals, and helping hands when others in our community need us. I know of no one we have ever turned down.

The integrity of our club has always been above all others. We must preserve this. Teaching for thirty-three years, I had to be honest with my students; if not they saw right through me and I lost their confidence. We must also be honest and respectful with each other. We owe that to each individual.

Please make a special effort to consider my thoughts. I realize organizations come and go, and split; however, we are stronger as one! All of us have our strengths and weaknesses; let us come together to combine our strengths to make the Burlington Shag Club the best club in the Association of Shag Clubs.

Sincerely,  
Jonnie S. Ellington
