Notes from the President ...

Good morning members and Happy New Year to each of you! What a year 2012 was for the Burlington Shag Club. Our Meals on Wheels Benefit turned out to be one of the best ever and raised more money than we ever expected. As it this was not enough excitement for our club, we went on to win a CAMMY AWARD for this tremendous event.

Then we headed to SOS with our float and rolled down the boulevard with hundreds cheering us on. When all was said and done, we learned once again that we had won our 10th award for best in our category

When we returned home, we immediately began to work on our annual luau and when the magical night finally arrived, we stood and watched the entire room fill with several hundred people who enjoyed the special night with our members. People came from near and far and everyone sent nothing but praise for that event. While we busied ourselves with club activities, we finally stopped for a breath and discovered our club's funds were less than required to fund and finish out 2012. This would have surely meant failure for some clubs, but not Burlington! Everyone stepped up to the plate – with the sales of club logo shirts and sales of raffle tickets for an incredible set of corn hole boards (built by some very talented members), we were soon back on top.

Next thing you know, it was time to head back to the beach with our wares for the SOS Fun Monday Booth. So many members stepped up to work our booth and before we knew it, we had sold almost our entire inventory – this resulted in another record selling event for our club!

With heads held high, we returned home feeling pretty good about ourselves only to learn our beloved Masters would be closing down forever in 2 weeks. Our home of 20 years was gone and we were to be homeless. Another huge bump in the road, what to do, what to do? Well, like everything else, we got busy, and within a few weeks we walked into a bowling alley and opened the doors to a lounge most never even knew existed. Immediately, we felt relief, knowing this lounge would be perfect for our club and its members. The owners, Robin, Anthony, Kelly, Luke and Niki, are great people who welcomed us with open arms. We had found our new home and were off and running again.

Next, we sponsored our annual Special Olympics Golf Tournament – another great turn out great! Weeks before the event, all teams were filled and some had to be turned down. Everything was coming together nicely until we realized there was no cooker to prepare the food. Again, what to do, what to do? But a very special man stopped what he was doing and drove all the way across the county to his home and brought his cooker just in time to cook the chicken. So much money was raised that day for the special athletics and everyone had a wonderful time. A few weeks later, we were invited to attend a banquet to honor special needs persons. After a wonderful meal, we discovered our club was to be awarded a special plaque for all the years of helping these athletes. I don't mean to sound like I am bragging, but I want each of you to know that our club is not just about dancing and having fun together – we do that without fail. Our club is so much more – we do wonderful things for each other and wonderful things for the people in our community. Some may ask, "Why should I join this shag club?" Here's the reason you need to join: Together we do make a difference to many people. No, I am not bragging – I am just so grateful to have been your leader and to have had the honor of working along side each of you this year.

I am so proud of our club and each person who calls themselves a member of the Burlington Shag Club. Now we begin again and it is my hope that together, we will once again make that difference needed by each member and our community. Thank you for being special people who do care for others. CB and I wish each of you a very happy new year. Now go and do good! I hope to see each member on our roster at **Showtime Lounge** sometime during 2013.

Christmas with Frosty and Friends

Saturday, December 8th was a fun-filled night at our annual Christmas Party which we celebrated with Frosty and all his friends. Our stage was a beautiful enchanted forest with snowmen, trees, and lots of critters in the snow. The table decorations were a huge hit and so creative.

My thanks go to all the volunteers on the Christmas party committee who helped make this such a beautiful setting. There were compliments all night long on how beautiful the stage was. We had great music and a good 50/50.

I hope that you all had a wonderful Christmas and as we bring in a new year, please remember to count your blessings each day and let those who are so near and dear to you know how much you love them.
With love, Evelyn Turner

Stephen Stearns, Sr. Burlington Shag Club 2012 Hall of Fame Inductee

Stephen has been a member of the Burlington Shag Club since 1998. He has served as Vice President for 4 years, Committee Chair of Ways and Means for 4 years, Christmas Cheer Yard Sale Chairman for 2 years, and Special Olympics Golf Tournament Chair for 3 years. Stephen has served on the Special Olympics committee since it began.

Stephen was on the Executive Committee of the 2006 ACSC Summer Workshop and has provided van transportation for special parties held for our members and guests to have safe travel to and from the Ramada Inn. Stephen has been vital in advertising our club functions through participation in radio interviews at our local station, WPCM. Stephen negotiated interviews and an exhibition dance with WFMY News 2 to promote our annual Meals on Wheels event and routinely contacts our local newspaper, The Times-News, for recognition of achievements and articles covering our community events.

Our annual yard sale event is held on the Stearns Ford property each year because Stephen recognized we needed a permanent location to hold the event in 2009 due to the road construction project on Mebane Street. Without hesitation, Stephen accepted the responsibility of allowing a tractor trailer to be delivered for yard sale item storage and for the event to be held. He allows his employees to assist us during the donation period as well.

Stephen is someone who stands back and lets others thrive, but when he is needed, he will gladly step up and do whatever needs to be done. He has kind words for everyone and he is more than willing to do any and everything that is asked of him. Stephen is definitely a member that we can count on and deserves the honor of the Hall of Fame for the Burlington Shag Club.

Congratulations on being the 2012 Hall of Fame Inductee for the Burlington Shag Club.

Respectfully Submitted,

Brenda Smith
HOF Chairman

Shaggin' The New Year In...

The lounge was packed on New Year's Eve with lots of shaggers ready to send out the old year and bring in the new year. It was so good to see some long-ago members out to join us for the celebration along with new members. We also had quite a few visitors from our neighboring shag clubs. The dance floor stayed full all night long to some great music that everyone seemed to enjoy. Light snacks were provided and around 11:00, the party hats, tiaras, and noise makers were given out, and if we weren't already in a party spirit, that was all it took to put us in it. At the stroke of midnight, Auld Lang Syne was played and hugs and kisses were all over the place. Lots of shaggers stayed late and we finally shut the music down around 1:30 in the morning. Needless to say, everyone who came out to bring in the new year had a large time!!!

Re-up Time coming up January 25th!

Please remember that you can renew your BSC membership any time between now and the re-up party for \$15.00. Also note that ALL dues will be \$20.00 per person if they are not postmarked PRIOR to 2/1/12. The applications can be pulled from the website, under "Org Chart and Forms", from myself or the DJ stand.

As with all Shag Club events, volunteers are needed to help process the influx of applications and payments that come in during the re-up party. If you would like to volunteer to help take the applications and payments during the re-up party, please contact me prior to that night. We need the most help between 7:30-9:30. Time slots will be assigned on a first come, first serve basis so volunteer early to get your preferred schedule.

Please understand that if enough volunteers do not step forward to help, the processing time for these applications will take longer which may delay your dance and social time that night. Our club can only succeed if its members share the load. Make this your first opportunity to step up and help your club in the new year. It's great to get involved You'll also be able to put faces and names together for those folks who you don't usually see out or socialize with. Try it, you might like it!

Many thanks.....Lorna Shively, Secretary

Christmas Cheer was a huge success this year. We were able to adopt three families and each family needed assistance with everything from food, toys, clothes, to payment of utilities and Christmas dinner.

Thanks to each member who may have donated items to the yard sale this year or donated time to work the yard sale, BSC provides these services each and every year through this yard sale. This is what the Shag Club does best; we give back to the community. We all have fun together, but in the end, our community can always count on our club. I am proud to say that I am a member of the Burlington Shag Club. I am a new member compared to most in the club and I have to say that I have never been involved with a group that is so giving and caring. That is why we all need to cherish and enjoy our times together.

I would like to give a special thank you to Stephen Stearns who not only provided a location to hold the yard sale each year, but he also chaired this committee the last couple of years. A special thank you to Steve Pettigrew who provided a trailer for the storage of the goods donated for the yard sale. Another special thank you goes out to Nita Wilson who helped shop and deliver the gifts along with Rhonda and Jimmy Parker.
