## Notes from the President ...

**Good day, Shag Club Members!** We are all gearing up for the Meals on Wheels Benefit and before I go any further, please let me thank each member of our club who has worked so very hard to make this event happen. You know I never call names as I am always so afraid I will leave out someone, and I never want to do that. Each of you know how much you've done and how much precious time you have given for months to make this happen. It is all coming together and it is looking like another very successful year. I am very, very proud of what our club does for Meals on Wheels and for the hundreds who depend on this event. We are a good club with big hearts.

Last Friday night, we finally got to have our membership renewal party at Showtime. Our scheduled night was postponed due to a one-night snow/ice storm. Having email addresses made it possible to contact the majority of our members to let them know of the cancellation. Before our re-up party last Friday, we had received **141** membership applications. At the actual re-up party we received **109** more applications with **32** of those being new members. Today our membership total is **250**, with **51** of the grand total being new members. Needless to say, the re-up party was a huge success with about **175-180** people attending. Robyn, Kelle, Anthony, Niki, Stephanie and Luke were so generous to provide each current member with a BBQ dinner. After all the tickets taken up were counted, they served **140** members. Please remember to thank each of the Showtime staff for providing this wonderful meal that each of us enjoyed.

During the night, as a thank you to our members, four **\$25.00** cash prizes were drawn from the current membership roster, four oil changes from Stearns Ford, a beautiful wine bag made and donated by Evelyn, a set of cornhole boards that were donated, numerous beach CD's and a PA system. Somewhere around 9 o'clock, we were honored to have four Jr. Shaggers drop by to practice before they were to perform on Saturday night for the Beth Mitchell Benefit in Greensboro. Jeremy, Kayla, Trey and Cody were so nice to allow us to circle around while they thrilled us with their talents. These kids are keeping the dance we love alive and we are so proud that they chose our club to come and practice and dance with many of our members. It was just a very special night and boy, what a party! You guys make our club special and events like last Friday night can and will continue to happen because we are THE BURLINGTON SHAG CLUB.

Even though it is just February, we are off and running with many things on our plates. Our members voted to do another float for Spring SOS. Many felt we should stop as we had won **10** years in a row but when the vote was counted, another year was approved. With that fact, a float will be built and, win or lose, BURLINGTON will roll down Ocean Blvd. and put on another performance for all those in the crowd waiting for us. We are already working on ideas and now we need members to sign up to either walk or ride. You will never know the thrill of this float unless you walk/ride and see all the people along the parade route cheering us on. That is why we do a float – we make people happy and we make memories. Cindy Swiggett and Edith Loy are heading this year's float committee – please contact them soon to let them know you are on board.

Be sure read your monthly newsletters to see the other events we have been asked to attend and when possible, please sign up to participate. Soon it will be time to start planning our famous LUAU. Chuck and Teresa Upchurch are heading up this committee, and I know they will need many volunteers to help with this event.

As the numbers show, we are a large club but too often, only very few members really get involved in the real work of preparation. Sure the word "WORK" is written here on this page because it takes work to make things happen. Don't be afraid to get involved, every member has much to offer, you just need to take your first step and try it. Working alongside a fellow member allows good friendships to begin. You will feel overwhelming pride once the event is over, and YOU helped make it possible. I have said over and over, there is only a small group when only a small group show up to help. Group means more than one person – you are a member of this club and everything we do belongs to each member who is willing to give whatever time they have to each project. We realize that members are busy and time is precious – signing up for a committee does not require your presence every time a workshop is planned. Somehow, everything always works out. Come and check out what is being asked of you – then decide how much you are able to do. You never know unless you ask. Raising your hand and voting should not be your only role in making things happen.

We are doing so good at Showtime Lounge – please come out on Friday nights. We meet from **8:00pm-midnight**. We love our new home and want to share it with many new people this year. Robyn is willing to prepare breakfast sandwiches for anyone before they leave on Friday nights. Place your order at the bar with Kelle or Luke, then sit there and relax knowing you did not have to drive somewhere else to eat! She also offers food before the night begins – a menu is located at the bar. Check that out, come early to eat, and then take a breath and get ready to dance the night away! We are off to a great start for **2013** – the sky is the limit. We make a difference in our community and it is all possible because you care. We love to dance, we love to fellowship, and we love BEACH MUSIC. All of this can be enjoyed every Friday night at SHOWTIME LOUNGE. **Now go and do well!**

# 2013 Re-Up Party

What a wonderful re-up party we had on Friday night, 2/1/13. There were many people who re-upped and we also had a large number of new members to join. The

management at Showtime Lounge provided a delicious BBQ dinner for all the members, and that was so appreciated! Be sure to thank Robyn, Anthony, Kelle, or any of the crew for their generosity! Also, the Jr. Shaggers, Jeremy, Kayla, Trey and Cody came out to 'shake a leg' with us!

Please note that **ANY** applications received after the 2/1 date, re-up or new, will cost \$20.00. This price will be in effect for the rest of the year, until our 2014 memberships are accepted in late 2013. Make sure to see an officer or the DJ for application forms as needed. I'm looking forward to serving you this year!

**Christmas Party:** Evelyn Turner stated that we had a great party with a lot of wonderful decorations. Thanked everyone who helped with that or helped that night at the door, 50/50 or in other capacities. We had an income of \$2020.00, with expenses of \$1937.00, for a profit of \$82.10.

**New Year's Eve Party:** Joan said that we had a great turn out for this party and at the last minute, the Showtime Lounge announced that they would serve a breakfast buffet for \$5.00 for those who signed up. Over 75 people came out for the buffet. The club spent \$120.00 on the DJ and party supplies and made \$120.00 with the 50/50, nullifying the costs.

## Burlington Shag Club Business Meeting

*(cont'd from previous page...)*

**Board of Directors meeting:** Per Joan, this is scheduled for 1/15/13 at 6:30 at K&W.

**Re-Up Party:** Amber and Josh Allen have agreed to chair this event. Amber announced that if you have re-upped by 10:00 on the night of the party, 1/25/13, your name will be placed in a drawing for a set of corn-hole boards which will be designed by you. Also being given away, are 4 \$25.00 cash prizes. You do not have to be present to win, but must have re-upped by the 10:00 PM deadline on 1/25/13. Lorna asked for volunteers to see her if you are willing to help process the applications that night. Mary will put the flyer on the web-site.

**MOW:** Stephen Stearns stated that he has been advertising this on WPCM and WFMY TV. The last meeting was a couple of weeks ago, but they will be meeting again at Amy Crawford's house on 1/17/13 to work on the decorations. This is celebrating the MOW 40 years in Alamance County and the shag clubs 20th year in sponsoring this event. They want to make this a glitzy, sparkling affair to honor those milestones. Additionally, a corn-hole board will be raffled off at the MOW event, with the proceeds going to BSC. Evelyn has the tickets if you would like a packet to sell.

**SOS Float:** Joan asked everyone if we wanted to do another float this year. Some folks feel that we should retire on top, with ten wins, while others feel that we're expected to be there and that the parade wouldn't be the same without a BSC float. Robert Mitchell has agreed to host our workshops at his place again this year. Cindy Swiggett made a motion that we have the float this year. Joe Davis seconded. Majority approved. Joan let everyone know that you don't have to walk in the parade or ride the float to participate. Come out and join in the fun of preparing for the event. Edith Loy will chair this committee and Cindy Swiggett will co-chair. Chuck Upchurch made a motion to allocate \$1000.00 for the float. Cindy Swiggett seconded and the majority approved. Please let them know about your ideas for a song and theme.

**ACSC meeting:** Mid winter is next weekend and the next workshop is in Fayetteville on 2/22-2/24/13.

**Luau:** Chuck and Teresa Upchurch have agreed to chair this committee. The Moose Lodge is available for the date suggested date of 6/8/13. As usual, we will expect a turnout of 400-500 people. Please see Chuck to sign up for committees and volunteering.

**Projected Expenditures:** Joan presented the "Projected Expenditures" to the membership. This is an estimation of the expenses that we will likely face this year, based on prior year's expenses. This gives everyone the "full picture" of what we have planned to do this year. It is NOT set in stone and will be adjusted as needed per our available funds and the chairperson for each event's requirements. Each chairperson will bring their budget requests to the membership for approval, as in the past.

**Trophies:** Joan informed us that the trophies that we have won for prior SOS floats are in the storage room, along with the plaques won in recent years. The trophies are deteriorating—bolts are loose and surfaces are peeling. Lee Neese has suggested that we remove the labels from the trophies themselves and put those in a shadow box, along with the plaques. The Showtime Lounge has agreed to give us some space and let us display these "trophies" and our HOF and PP plaques also. The shadow box will cost approximately \$40.00-50.00. No objections.

**Shag Club Golf Tournament:** Jesse Justice announced that this is scheduled for 4/27/13 at Indian Valley Golf Course. Everything is ready to go---just need the golfers to sign up. There will be food provided, but no raffles. We will award some cash prizes. This will start at 9:00 AM on 4/27/13, with a shot-gun start. There will be no flights. This is open to ALL golfers, not just the shag club. The cost is \$60.00 per player and will include 1 skirt and 1 mulligan. Deadline to sign up will be announced at a later date.

**BSC Bowling Night:** Jesse has also organized a bowling tournament for the club members. This is scheduled for 3/23/13 at 7:00 PM. It will cost \$15.00 per bowler, which includes 2 games, shoes, and a roll off game. The teams will be comprised of 2 men and 2 women, and drawn randomly to fill the teams. Women will get a 20 pin handicap and the me will get a 10 pin handicap. 1st and 2nd place teams will be awarded prize money. A flyer will be in the next newsletter.

**Sweatshirts:** See Kim Sellars if you want to order a BSC sweatshirt with the design the same as our t-shirts from last summer. Prices start at \$18.00.

## INSIDE THE COUNTRY CLUB LANES

**Allow me to introduce you to  
our new hosts and friends!**

A few months back, our home at Masters of 20 years was closed to allow the Ramada Convention Center to be enlarged. We were given the task of relocation. A committee formed, locations were researched, and after several meetings, they recommended the Showtime Lounge inside Country Club Lanes on South Church Street. BSC members came together and voted to move our club to Showtime.

As sad as we were at losing Masters, once inside Showtime, it became apparent that we had indeed found a wonderful home. Showtime has proven to be a perfect location. It is larger and has a huge dance floor and many, many added features that will allow us to expand and pursue many new things. If you still have not been to Showtime, we urge you to come out any Friday night – we meet from 8:00pm to midnight.

Along with this perfect new location, we quickly learned that, not only was Showtime our new home, but the owners were becoming our great friends. Please let me introduce to you the owners of this wonderful facility. Robyn, Kelle, Anthony, Niki and Luke are with us every Friday night to make Showtime really feel like a home. Robyn is the mother to Kelle, Anthony, and Niki. Robyn is everywhere – she is the most amazing woman I have ever met! She goes from one end of that bowling alley to the other and never seems to give out of energy. Just before you enter the lounge there is a grill and Robyn can be found inside preparing food for the entire bowling alley. In the past, we had to get in our cars to go out to breakfast – now you can place your order right inside the lounge and just take a seat and enjoy that breakfast sandwich before you hit the road. You can come early and eat there as well. She has a menu available on the grill counter for your selection. She has already provided our members with an after-breakfast on New Year's Eve and a BBQ dinner this past Friday night for our re-up party. Both were delicious and enjoyed by many members.

Anthony is her son and works very hard alongside his mom to make sure everything is running smooth. He is always so willing to work with us to ensure that we have anything we need. Stephanie is Anthony's girlfriend and, after she leaves her day job, she comes in when needed to help behind the bar. Kelle and her boyfriend Luke are our bartenders and will gladly take food orders and stay on top of your beverages. Niki is Robyn's other daughter and she can usually be found behind the counter in the bowling alley. However, when needed, she joins her family in the lounge to make sure everything we need is ready. As you can see, this is a family of hard-working people who come in very early and stay very late each night to allow our members and people throughout the area to have a place to bowl, play cornhole, shoot pool, and for us to dance and hear great music. Please let me also say, they have been so kind to always find a spot for our members to come any night of the week or day as needed to meet and make our plans. Carol Oakley is now teaching her dance classes in Showtime Lounge every Tuesday night.

Please take the time to get to know these wonderful people and to thank them for their generosity to our club and its members. We are so very fortunate to have this great place and to now call it home.

Thank you, Robyn, and thanks to the entire staff at **SHOWTIME LOUNGE!**

The date has been set for UNC Shag Day, 2013 – Sunday, February 24 at 1:30 against NC State. Join us for this UNC women's basketball game saluting Breast Cancer Awareness, and shag on the floor at halftime! The game is at Carmichael Arena, 310 South Road, Chapel Hill, NC 27514.

You don't have to dance to come – wear your pink, enjoy the game, and cheer from the stands – we'll be joined by other shag clubs as well. Let's try to get a large number to attend representing Burlington Shag Club!

## 'Fessa John Hook is coming to the Showtime Lounge in Burlington, NC!

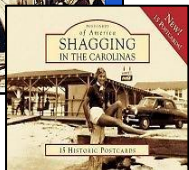

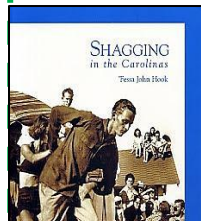

On February 15<sup>th</sup>, you won't want to miss our regular Friday night Shag night. It's going to be ANYTHING but regular! Renowned Author, DJ, and Beach Music Historian John Hook ('Fessa) will be spinning the tunes we know and love next month!!

Be sure to check out his website, [www.beachshag.com](http://www.beachshag.com) for links to his Beach Music Top 40 countdowns, his Shag History library, and upcoming dates for his 2012 Beach, Book & Boogie Tour! Very exciting!

Another fact you'll want to know about: 'Fessa plans to feature Burlington in another publication this year. Check out the bottom of his website:

**"Burlington, NC and the Rise of Beach Music" is slated for 2013.**

Be sure you make plans to come out to the Showtime Lounge on Feb. 15th. This is certain to be a rare treat that you'll want to take advantage of, and bring your friends!

Joan was contacted by the activities director at **Cedar Ridge Retirement Center**. They have asked us to dance for the residents who now live in this retirement center on **Thursday February 21, 2013 at 6:45pm**. They will provide refreshments for those in attendance.

Please consider participating – this is yet another way we as club members can give back to our community and have fun in the process. We will dance to a few songs and hopefully several line dances. Some of the residents may want to learn a few steps and perhaps even join in at some point.

The retirement center is located at 2680 South Mebane Street, Burlington. It faces Mebane St. and is almost directly behind the Food Lion and K&W shopping center. From I-85, take exit 143 (Alamance Rd.), pass Dick Shirley and turn left at the stop light onto Mebane Street and it is the white buildings on the right. From Holly Hill Mall, go past old Masters and drive a short distance down Mebane Street – it is on the left.

In order to give Cedar Ridge an idea of how many to expect, we need to know who is willing to meet on February 21<sup>st</sup>. **Please contact Joan or me (maxkim63@aol.com) by February 12** – and again, thanks, and hope to hear from many of you soon!

SOS Spring Safari is just a few months away and that means it will soon be SOS Parade time. Lots of enthusiastic members have come to our first meeting. If you would like to be on the parade committee and join in on the fun and the work, please let Edith Loy or Cindy Swiggett know as soon as possible at [edithloy@triad.rr.com](mailto:edithloy@triad.rr.com) or [cjswiggett@gmail.com](mailto:cjswiggett@gmail.com).

After the committee has finalized the plans, we will start construction at Robert Mitchell's home and workshop. If you have never participated on the float, you have missed out on a lot of fun with fellow members. Be a part of it - you'll have a great time!
