Notes from the President ...

As I write this letter this morning, I am so very proud of our club members who worked so hard on our 2014 Spring SOS Float. This parade was special as it was the 20th year of Parades. Once the decision was made to create a float, our members got together and soon we were off and running. Months of working, we were finally finished and the trailer was loaded. All that was left to do was wait until Saturday and then do our very best to show everyone along the parade route what this parade has meant to Burlington Shag Club.

When we came together to choose a theme, many ideas were tossed around but the idea given by Kim Sellars seemed to fit our club best. "Treasure" by Bruno Mars was our chosen song and then her idea of Egyptians who are known for their treasures became our float.

Burlington members' participation goes back to the very beginning of SOS and its parades, so we already had many treasured memories. With our 2014 float, we were able to share our memories with everyone lined up both sides of the streets in North Myrtle Beach. We had built 11 previous floats, so we decided to place something from each float to represent the treasured memories we had of each parade. As we looked at pictures from years past, we realized how fast it had gone by and how precious these events had been to us. Times change and people come and go, but SOS is always there. SOS has brought our members back together and no matter what life had dealt us, SOS allowed us a few days of being young again and the ability to renew friendships. We do treasure the lifestyle and we do love the dance. So as you can see, our theme was very befitting to our club and our members. Finally, we had the opportunity to pay tribute to the lifestyle that had given us these memories. As we rode down the streets we sang "you are my treasure and we treasure you, you, you" and this was what we wanted everyone along the parade route to know. As we paid honor to our members, we also paid honor to all the people we had met along the way from other shag clubs and to SOS for making all this possible.

Thank you Burlington Shag Club members for win #12 and for all the treasured memories we have shared as a club. I am so proud of what we have accomplished over the years and what we will continue to accomplish together as time passes.

Please note in this newsletter all the upcoming opportunities our club has to offer in the weeks to come. Remember the golf outing is a FUN tournament, bowling is for anyone who just wants to have fun, and the Luau at Country Club Lanes promises to be a huge event for our club. Please come out and join in and continue to make those memories. Now go and do well.

20 YEARS OF TREASURES

BURLINGTON SHAG CLUB has once again taken home the top prize in the 2014 SOS Parade "Best Shag Theme". After many weeks of coming together and tossing around ideas, making this and that, and cheering each other on, it all paid off this past Saturday, April 12th, at North Myrtle Beach. It was a beautiful sunny day and every member representing Burlington was dressed and ready to perform, and perform they did. **CONGRATULATIONS, BSC FLOAT COMMITTEE!**

OD ARCADE AFTER-PARTY!

ROOKIE'S REVENGE AT SPRING SAFARI

On Tuesdays of Spring and Fall SOS, there is a Rookie's Revenge contest at the O. D. Arcade. This contest is open to anyone who wants to compete with a partner they don't know and to a song picked at random by the DJ. It is a fun contest and there are so many styles of shag out on that dance floor. You have to have a spirit of fun and a willingness to dance in front of a crowd of people cheering everyone on. All you do is sign up and be ready to go when your name is called.

I'm proud to say that we had three members of BSC

to compete this Spring - Clay Parker, Cheryl Parker, and Jack Oakley. After Clay and Cheryl registered, they were eagerly waiting for their names to be called. You remember that part above where I said all you do is sign up? Well, it seems that Jack didn't know his name had been signed up (a little secret surprise from Darlene), but trooper that he is, he got on that floor and had a great time dancing with his partner. All three of them looked great, danced great, and represented our club in fine fashion. Clay and his partner made the cut to the semi-finals and placed 6th in the competition. We send a salute to all three of them, GREAT JOB, and thanks for another fun night of Rookie's Revenge.
