Notes from the President ...

Burlington Shag Club Members, here we are getting ready to celebrate Thanksgiving. As I listened to the preacher this past Sunday, he asked that we stop and think of all the things we are thankful for. It took me awhile to make my list and I hope it will take each of you awhile to make yours. As I am thankful for many things, one that I would like to share with you at this time is I am thankful you are allowing me to serve as your president for 2015. I am also thankful for each club member who comes out to help and participate in our events that makes our club so unique and special. As this year comes to an end, 2015 is going to be even more special. We will celebrate 30 years of being a club this coming August. For the first time in many years, our Meals on Wheels Benefit will be different. Meals on Wheels management had to back away from the event this year. It saddened us, but we understood and respected the decision. One door closed but another door did open for us and we are going to have a Valentine dance and we are going to raise some money for those Alamance County citizens who depend on us. I am asking all of our members to help me and the committee make this happen. While I can not tell you how much will be donated until the event is over, I can tell you it all depends on the number of tickets sold. Jim and Crystal Quick believe in us and they believe in our cause to help feed people in Burlington. **Dance tickets will be \$25.00 in advance and \$30.00 at the door. Dinner/dance tickets will be \$45.00.** It is Valentine's Day, and your sweetheart deserves a night out – what can be more fun than hearing Jim Quick and Coastline. Then, add in a fabulous meals – all for just \$45.00 each. Some think it's too expensive – well Coastline alone is worth \$25.00 and for \$20.00 more, you can sit down to a great meal. No matter where you go to eat that night, you will spend \$20.00 for your food, beverage, desert, tax and tip. Our package is a good one that I am sure you will not regret. There may be a few surprises that night – load those pockets with money to toss, because a show is coming your way – you will want to throw lots of dollars!

So the door is open, but you need to buy a ticket to get in. Jim and Crystal made this happen, the committee is working to make sure everything goes as planned, and all that is left to do is your part – support this effort – **BUY TICKETS, SELL TICKETS, HELP PROMOTE THIS EVENT.** I want to see a large showing of club members there that night to show Jim and Crystal how much we appreciate their kindness. I want there to be money available to make that MOW donation once all expenses have been met!

We have a full calendar for several more weeks. Christmas Party, New Year's Eve Party, Membership Renewal Party, Coastline Event, and a float to build. Yes, there will be a float, and once again I encourage you to participate, either as a float participant or a member who can devote some time to help build the float. Many have said, "we have done it so long", and many may say, "you win every year," remember, it is not about the win alone – it is about coming together as a team to make something that bears our name and our reputation. "Here they come, I can see them, yeah here comes Burlington!" Win or lose, we will not disappoint the people lined up along that parade route. We will not disappoint each other. It is a time to bond, it is a time to have some quality time outside our shag night. It is a time to look at that finished float and be proud, no matter how many floats have been built before, because this float will be another great memory to cherish.

Remember to get your tickets for the Christmas Party and the New Year's Eve breakfast. Our Christmas Party will be at Showtime and tonight Robin and I talked about food. It is going to be delicious again. Chigger will be spinning tunes all night long. Rick "Biggun" Turner will be inducted into our Hall of Fame, 2015 officers will be installed, and fun will be had by all. Dress up, look like a million dollars, pictures will be taken. Then, join us for New Year's Eve, or if you need to go elsewhere, come by later and have breakfast with us.

It has been a very good year, we are an excellent club. We have the best meeting place ever, and we have each other. Life is good and we have next year to look forward to – thanks for all that you do – I treasure each of you! CB and I wish each of you a wonderful and blessed Holiday Season. Be safe if you are traveling and remember the families on our Sunshine List. **Ask Santa to bring you tickets to our Coastline/BSC Event – they make great gifts.** NOW GO AND DO WELL.

BOD Minutes

We had our board meeting after the November 21, 2014 business meeting. We discussed the following: The officers and the board need to work on the 2015 budget before January's business meeting. Secondly, it was suggested we have our board meetings a week or two before the business meeting instead of after. Lastly, we decided we need to clarify/modify a few by-laws in January.

Thanks, Edith Loy

On Sunday after our Oldies-Goldies night, I received an email from BSC member Allen Brown expressing his thoughts and appreciation for that wonderful event. Check out his special message:

Our dear Madame President and committee members,

This night, our night, was GREAT! From the bowling, to the party, to the "performers", to the music, which brought back some wonderful memories of all the years I spent in radio...all GREAT!

The fact that our folks "performed" in front of a crowd of people that couldn't be more appreciative is a huge testament to just how close of a family our club is...not to mention it being a testament to really good, honest and true leadership. Just like in any organization, business or personal, it all flows down from the top...a good leader actually leads and inspires others, and your leadership inspires all of us to want to be part of the best club we can be.

The tireless efforts of so many people in our club, and it would be foolish of me to try and name each one—since there are so many surely someone would be left out...we all know who they are and we appreciate each and every one of them. And they all try to always strive to make it better—to always make promotions and charity functions better, it's what makes the BSC the envy of the Beach/Shag community...award after award, promotion after promotion, event after event...nobody does it better...so Joan and all involved, including Robin, Kelle and their wonderful staff, I'm sure I speak for all of us when I say a huge THANK YOU!!!

A good time, a good club, begins and ends with good people...and that's our club...GOOD PEOPLE! So please pass this note on to our membership, and again...THANK YOU!

*From a proud member of the Burlington Shag Club,
Allen Brown*

BSC won another Carolina Beach Music Award for our 2014 Meals on Wheels Benefit. There were six other clubs nominated in this category that were also very deserving. Our president was there to accept this award of behalf of our club and its members. Many of you worked very hard for weeks to make that event happen – you made this win possible. Thank you for the dedication and diligence that you demonstrate event-after-event! Great job, Burlington Shag Club!
