## **Notes from the President ...**

It's the day after Christmas and we have started the count down to 2015. First let me thank Robin, Tony, Stephanie, Kelle, Luke, and Niki for giving us a home to come to each week. Thanks for giving us a Christmas party to remember. Showtime will open their doors to us again on New Year's Eve and Robin will once again prepare that great breakfast after all the hugging is over. We love each of you and appreciate all that you do for us every day.

As we remember 2014, let's all be proud that our club received 3 of the top awards given in the Shag World. We were honored by winning an Icon Award, an SOS 1st place Float Award, and then Event of the Year Meals on Wheels 2014 at the Beach Music Awards. This is truly an accomplishment for our club. Thank you Burlington Shag Club members for working together always to make each of these awards possible. We also accomplished our goal of raising quite a bit of money to help families with their Christmas this year. We also had a very successful golf outing and raised a lot of money for Special Olympics. We made a difference this past year so Burlington, be proud of our accomplishments.

I hope each of you had a wonderful Christmas and in a few more days we will gather together to bring in 2015. Soon after we will start work on our SOS Float. Some say why another float, we have won enough. Float victories are always great – each win is as precious as the last – but we do a float because there are people lined up waiting to see what we have come up with this year. We do a float because we love to get together and work side by side getting to know one another better. We do a float because we are building memories that will stay with us forever. Lastly, we build a float because we love to be in that parade. We still love to win that plaque. We still hold our breath until we hear our name because it means we have accomplished our goal, but win or lose, we did not quit.

Starting today, we are in full throttle with our Coastline Valentine's Event. Due to circumstances beyond our control, our annual Meals on Wheels Event had to be changed. Jim and Crystal Quick came to our rescue and now we are moving forward with a different version of our Valentine Dance to raise money for Meals on Wheels. Edith Loy and Polly Fox are selling tickets and tables. Coastline's website also has tickets for sale. We hope each of you will support this effort and help us make this an event to remember. Jim and Crystal were so wonderful to do this for our club, let's show them how much we appreciate their kindness and fill that ballroom from front to back.

As a club that never sleeps, we have many plans for 2015. I have already mentioned 2 of the great events but the 3rd is a real celebration. Burlington Shag Club will celebrate 30 continuous years as a shag club this August. There will be a celebration to honor all the members who worked so very hard to start this club and all the members who continued to work to keep it together. As a member who helped organize this club, I am extremely proud of our club. Go ahead and start looking through pictures over the years, go ahead and start forming those ideas of how we want to celebrate. We will need lots of members working together to research and locate former members. We hope to bring back members we have not seen in years and share the history with all the newer members.

Thanks to each club member who has taken a part in this club no matter how big or small. We are a large club with many events going on each month. We are a club that meets every Friday night the entire year. It takes each of you to make our club the club it is today. We are a group who comes together to share our love of the dance but along the way we found each other. It is easy to see the love and fellowship in this club. We are truly blessed and thankful for all that we have been given this past year.

Thank you for 2014 and together we will make 2015 another great year. Please remember our members and their families who are going through difficult times. Take care of each other and come out to Showtime every chance you get. Sometimes it is easier to just stay at home, but easy does not get that good feeling once you are there and are so glad you made the effort. Love to all from Joan and CB. NOW GO AND DO WELL.

Joan  
President
