## **Notes from the President ...**

Good morning Burlington Shag Club---sitting here writing this note to each of you and looking at the weather forecast for the next several days---hot hot and hotter---please be careful while you are out and about.

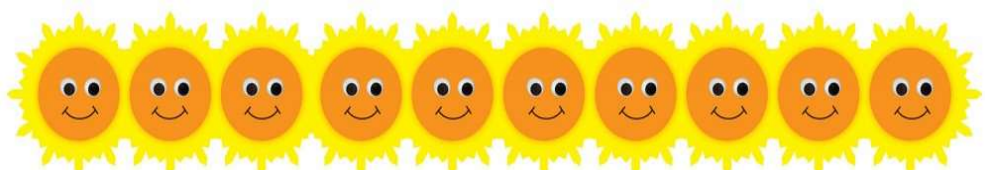

This has been a hot summer and it seems to be going by so fast---hope you have had a great time and was able to do some traveling and do some fun things. We have been so blessed to have had some great crowds at Showtime this summer. CB and I were late arriving this past Friday night and had to park on the 4th row back near the gym. Thrilled my heart to see such a crowd. Once inside, floor was filled with dancers and almost every seat was taken. This is what I like to see and especially knowing they were all having such a good time. We had lots of members in attendance and a good number of visitors as well. Thank you Burlington members for supporting your club night.

Special Olympic Golf Tournament is just around the corner! This is a very special event our club sponsors. We make a huge difference to athletics in our community with special needs. I would like to encourage each of you to help in one way or the other. You can play golf, you can donate by writing a check to Alamance County Special Olympics, you can attend the lunch, and you can come out and help make the day successful. This newsletter will give you all the details. Please help us make this happen for those athletics counting on us.

SOS is coming up quick as well. I am sure plans are already underway for each of you planning to attend. We are going to have a booth this year. I need members to sign up to work that Monday in the tent. Hopefully there will be enough people that time slots will be short. Please help me to raise some much needed extra funds for our club.

Thanks for allowing me to serve as your President, it has truly been my honor and pleasure. Please take time to look at our Sunshine List--prayers are needed for these people. Hope to see you soon at Showtime on that dance floor---dancing is also great exercise. Stay hydrated and safe---NOW GO AND DO WELL

Joan

### ***Additional Information from Joan***

Vic Gillespie has loaned our club 10 prints he has just finished--he asked me to charge \$70 each but said we could keep \$40 of that \$70 for our club. I will have to turn these back into him at SOS so if anyone is interested they need to contact me.

I am on the Carolina Beach Music Association committee trying to raise awareness in this organization and why it is important to join. For those who do not know, every year in November at North Myrtle Beach, awards are given out to bands, singers, writers, special events,, new groups, special fans, and many other very deserving awards. Our club has received three awards for our Meals on Wheels Shag Event of the Year. It is a spectacular event, especially at the Alabama Theater, but you do need to be a member to participate. If you are interested, please logon to their website and see all the necessary information to become a member. Hopefully once our membership is increased, TV world will allow us to be on national TV showing off our beach music talents.
