### Notes from the President .....

Members,

After a very successful Fall Migration, we are back home to start our Holiday season. Many thanks to Brenda and Mary and all their volunteers who helped make our Fun Monday Booth so successful. Not only did we all have a great time, but we made some money in the process. Our party at the Arcade was also very successful. We had a great turnout and many of you came to spend time together and enjoy our friendships and also enjoyed some liquid pleasure and some very good hors d'oeuvres. Even though I wasn't there, due to a work commitment, my heart was with all our members. But from what I understand, we had a great turnout and everyone enjoyed themselves. Thanks, Mary, for carrying the load making this happen and thanks for all who helped.

We also had a great time at Fun Sunday and Fun Monday. It was beautiful weather, great music, meeting a lot of new friends and just enjoying a fun filled day at SOS. And we actually made a little money for the club selling those Fun Monday Tickets.

The Special Olympics Golf Tournament was a huge success. On a beautiful day and the great turnout, we raised a lot of money for the Special Olympics. Due to the commitment from the Burlington Shag Club volunteers, you have once again given yourself to help special athletes in need. Not only by doing this for these well-deserved athletes, it was also good for our members who were there, who gave of themselves to make these athletes lives a little brighter. Thank you, Jesse Justice, Stephen Stearns, and all their committee and volunteers for a job well done.

As you know it is now election time to elect those who will lead us in 2020. Not only our officers, but board members (2). It is important that you come out and take part and help us elect the right people for the right positions.

Hopefully we will see you at the Business Meeting. Many other things are going on in October. Starting with our Membership Appreciation Warehouse Pig Pickin' and Wine tasting. (see the flyer for all information). This promises to be an event that you will be talking about a year from now. Lots of fun, games, music, fellowship and good food.

The Greater Triad Shag Club "Meet the Area Party" is October 19, 2019 at the Greensboro Shrine Club from 6 – 11. (see the flyer for all information). We need to support this club as they always bring a group to our Luau.

As you see many things are still going on, including our Halloween Party, October 25, 2019. With all this going on, if you don't support these events, you will be the one left out. So, make your plans to be there and let's all enjoy our lifestyle together.

2019 BSC President

This special party is this Saturday, October 12<sup>th</sup> and it is a party for our members to gather and have fun. It will be a great day to celebrate all the good times we have had this year. A great New Year's Eve party; a fabulous and successful Valentine's benefit; a bowling tournament that resulted in loads of fun; SOS pre-parties for Spring and Fall; an awesome and First Place award winning float; an exciting corn hole tournament; a tropical delight Luau Party, a busy and profitable Fun Monday booth, and a fantastic and so heart touching Special Olympics Golf Tournament have filled our calendar so far this year. We still have a Halloween Party, a Quarter Auction, and a Christmas Party to finish out the calendar. As you can tell, none of these special events could have happened without hard working and loyal members who give so much of their time and talent to this club. That is why this party is to celebrate YOU! Come and join us for a great day of fellowship, fun, and great friends!

## 2019 Special Olympics Golf Tournament

If you could look through the eyes, from one proud Burlington Shag Club President, you could see so many things going on besides the golf tournament. I am honored to be asked to write this article about our Golf Tournament. What I saw was shag club members working in unison and enjoying themselves and the pride they displayed in supporting these athletes with special needs. I saw the joy in all our members as they went about their tasks in preparing for the tournament. I could sit here and tell you how well it was organized and all the money that was raised and friends working side by side to make this event so successful and unique. We appreciate all of our supporters and our sponsors for partnering with us for this common goal in supporting Special Olympics. None of this can happen if it wasn't for each and everyone of you in our club getting teams, sponsors, help cooking and preparing the meal, registering and supporting one of the truly great events that our club is proud to do. Just to mention the two great leaders we have, Stephen Stearns and Jesse Justice and their team, who spends countless hours organizing this event. The Burlington Shag Club, which is each and every one of you, is so honored to host this event on behalf of Special Olympics.

We are all so proud of our shag club members and friends for making this event so special. All I can say is "Thank You and God Bless".

Ronnie

One Proud BSC President
