Notes from the President...

Hello, BSC members!

Unfortunately, this is another president's letter with not much to report! Any other year, we would be praising the SOS parade float committee for another well deserved win - CANCELLED. We'd all be glowing from our parade float after-party that had been held at our favorite spot, the OD Arcade - CANCELLED. I would be talking up the summer workshop that lies just around the corner, and how much fun we expect to have - CANCELLED. 2020 had other ideas, and here we are, very thankful to be alive and healthy!

As North Carolina entered phase 2 of COVID restrictions, bars and nightclubs remain closed until June 26, unless other factors influence a change of plans. I'm staying in touch with Sharon Hall for any word on when Rack & Rolls might open. And when they do, we can expect them to operate at reduced capacity in order to safe-distance and limit exposure. I pray that all of this can happen as soon as safely possible with no negative consequences!

Your board of directors plans to meet on June 1st to assess the 'state of the club' and what activities and business lies ahead. We have much to discuss, including Fall Migration, the possibility of a fall parade, and all other duties that had to be set aside for safety's sake. I hope that means that an actual BSC business meeting will not be far behind! Of course we need your input on important decisions still to be made until the end of 2020 - like our country, we need to get back to work!

On the subject of Fall Migration, this year's Fun Sunday and Fun Monday have been cancelled. The sale of raffle tickets to raise the funding for bands and prizes, but clubs have not been gathering, preventing the sale of those tickets. There was no way that the SOS Enhancement Committee could raise the money otherwise to afford two days' of entertainment. But our 10-day Fall Migration IS STILL ON! Hopefully, there will be a definite YES on a fall parade - we'll be in touch on float workshop meetings whenever we get the green light!

In closing, I encourage you all to remain optimistic, remain hopeful, and remain SAFE! Just imagine six months worth of cooped-up FUN rolled into 10 days of FALL MIGRATION! It should be an SOS to remember. If you haven't made your reservations, HURRY UP! Dates again are September 17th through 27th, parade possibly held on September 26th. I am really excited about passing along some good news before too long. This pandemic has us all down and tired, but we are farther along than we were yesterday!

Stay safe, pray for one another, and just look forward to spending some good shagging and beach music with your friends! It'll be here before you know it!! Oh, and DON'T forget THE 'BASICS'!

Love you all!

From the BSC Board Chair,

The Burlington Shag Club Board met on Monday, June 1, 2020. This is the first meeting we've had since March. We met to discuss a lot of issues concerning the club and where we are at about moving forward. Now that the Corona Virus Pandemic has slowed, and the state has begun to reopen the economy, we will keep you informed week to week on the conditions about the club as we progress. Hopefully, we will be together soon to continue our lifestyle and our dance and begin planning the last 6 months of 2020.

The bars are still closed with no hope of opening until possibly in July. Your safety is our utmost responsibility. Keep checking the Website and Facebook for changes and updated information about the club. But for now, enjoy your summer and still practice the Covid-19 rules and with a little luck and prayer, things will get better.

Sincerely,

**Ronnie Gregory
BSC Board Chair**
