Hello, BSC members! I hope you're all enjoying some of these warmer temperatures, typical NC weather – unpredictable! This week marks ONE YEAR since the onslaught of this horrible pandemic! I don't know about you, but I am optimistic, and can see a light at the end of this already! I'm praying we remain on this upswing, and everything continues to improve – how wonderful!

We had a Board meeting Monday night, 3/1, and I wanted to pass along some important ideas that were shared. Governor Cooper is relaxing restrictions slowly, including allowing 30% capacity in public venues. As long as the uptick continues, we'd like to resume our monthly business meetings. Rack and Rolls is open to at least 54 people in the side room where we typically dance, so on Friday March 19<sup>th</sup>, we'd like any members that feel comfortable to please come. We have some business to handle, and we must prepare for 2021 activities.

While COVID vaccinations are helping decrease infection rates, we want to remain vigilant with the usual good-practices to keep others (and ourselves) safe and healthy. We plan to continue meeting on subsequent months, meaning April 9<sup>th</sup> (moved to allow for some members that kept original SOS rentals), May 21<sup>st</sup>, and June 11<sup>th</sup> (since modified SOS dates are June 19<sup>th</sup>-26<sup>th</sup>). Perhaps by the time we come back from summer SOS, things will be even more relaxed, and we can soon be back to regular Friday SHAG NIGHTS! Won't that be a time?!

As for Spring SOS, there are new, later June dates replacing April. The ACSC/SOS boards selected 6/19-6/26 since hotel accommodations for Sat-Sat are so mandatory. It's only for one week this summer, but it is a slow step towards a 'new normal'. And keep in mind that there is still a chance of cancellation if COVID makes an ugly turn. Both organizations are working hard for us with some big plans, special events, and more – we hope to see you there!

If you have no 'leftover' 2020 SOS card, there are cards available that are good throughout 2021. There are no 2021-printed cards, 2020 cards carryover and are honored just the same. If you need one, please contact Edith Loy, Jack Oakley, or me. We'll work on getting one to you – still the bargain price of \$30, a \$5 savings from those sold on Ocean Drive.

Continue keeping your eye on our website, [www.burlingtonshagclub.com](http://www.burlingtonshagclub.com), the [BSC Facebook](#) page, and your email for additional updates. It appears that many clubs are planning their first parties, and getting the word out to fellow clubs. Also check out [www.shagdance.com](http://www.shagdance.com) for the latest news from SOS. We are also putting our thoughts together on some special BSC activities. There is so much dancing to catch up on, I'm ready to get it started!!

Please stay safe, be well, and get your vaccine (if you want). We are so close to our post-COVID reunion, and I know we're all 'starving' for it! Oh, and don't forget to "remember the basics"!!

Kim Sellars  
BSC President

2021 SOS Spring Safari!!!

The SOS Board has met again to discuss the 2021 SOS Spring Safari. We are announcing that the 2021 SOS Spring Safari will be held June 19 - 26, 2021. We have been cautiously monitoring the Covid-19 Virus. The signs are coming down some and hopefully during this period of time, they will continue to drop in hopes that we can return to some form of normality, as many more people are getting their vaccines. Hopefully this will get the virus under control.

We have been in contact with our partner clubs and the city of N. Myrtle Beach. They are in the process of opening up slowly and hopefully by June we will be able to host this event. It has been a long and trying time for each and everyone of you, as with SOS. We must re-start SOS, when the time is right.

Now that we have said this, it will all depend on you. We are committed to your safety and will do as much as we can, such as: (masks, supplying sanitizer, and working with the clubs to practice social distancing) It is up to you to do as much as you can to help make this a safe event. We know that some will not come and are still skeptical and that is perfectly OK. This is a personal decision, that you have to make. Do NOT put yourself in a place that you do not feel comfortable. We are going to work towards having outside events if possible.

We will be updating our SOS Bulletins frequently, but we can assure you, if things aren't right, we will have to cancel the event.

Check back on the Website, Face Book, and radio stations to get updated information.

If you have any questions, please call.

***Members,  
Please take time to  
read these very  
important notices  
from the SOS and  
ACSC boards. Also,  
there will be no  
'spring' float in June.  
Hopefully, there'll be  
a new date decided  
soon, perhaps Fall  
Migration? Stay  
tuned!***

***So the 2020 Winter  
Workshop at NMB was  
cancelled, but the ACSC  
provided a 'virtual meeting'  
online, and they've shared a  
link to view all the materials  
that would have been  
discussed in January. Robin  
Morley, ACSC Chairman, has  
asked that I share this link  
with the entire club. Go  
check it out, there's some  
very good information!***

Dear ACSC Presidents,

The ACSC/SOS Boards have been meeting to discuss the Spring SOS 2021. We have all heard the slogan that it takes a village. You are an important role in our village. When planning for an event, we must coordinate with the ACSC Shag Clubs, the club owners, the City of North Myrtle Beach and possibly the State Department of Commerce. After several days of meetings and communication, the SOS Board has set aside the week of June 19<sup>th</sup> – June 26<sup>th</sup> as a target date for SOS. We certainly do appreciate your support, patience and understanding during this time.

The ACSC Board has unanimously voted due to the safety of our presidents and club representatives that NO meeting will be held during SOS. We will continue to communicate thru e-mail with any concerns. Our next meeting will be held during Fall Migration on September 25, 2021.

It is very important that we find the new normal for our organizations. We will be enacting guidelines for this SOS, to ensure the safety of our membership. We are hopeful that the extra time between April and mid-June will give the vaccination program significant opportunities to offer protection for a much greater number of people. Additionally, we are expecting that the State of South Carolina will increase the number of people in mass gatherings. As you can see from this, there is still an element of uncertainty. Our dates represent the best opportunity that we have for this SOS to succeed.

In closing, we look forward to this opportunity to once again be together it should be the safest environment we can provide.

Hope to see you,

Robin Morley
